 PORTLAND, OREGON 97211

DESCRIPTION

A ready-to-use preservative for wood, canvas, and rope. Protects against warping, rot, mildew, and termites. The pleasing green color of this preservative makes it easy to identify treated materials and to avoid skips. Can be painted over, if desired, with little or no bleed through. Recommended for use on foundation plates, planter boxes, nursery trays, garden stakes, and fence posts. Prevents mildew, mold, and rot of canvas products such as tents, tarps, and boat covers. Wood that has been properly treated and allowed to dry will not adversely effect live plants. Particularly useful in coastal areas where materials may be exposed to sea air and salt water. An excellent preservative with many household and commercial uses.

#### **DIRECTIONS FOR USE**

Stir or shake thoroughly to mix contents. Soak wood for a minimum of three minutes or apply, liberally, two or more brush coats. All possible surfaces should be covered, especially those to be in contact with the soil, joints and end grains. Wood to be treated should be dry and free from bark. For best penetration, use at temperatures above 70 degrees F. At least 24 hours drying time should be allowed before application of top coats. Fence posts should be soaked in preservative for 12 to 48 hours.

**WARNING:** POISONOUS. Harmful if swallowed, inhaled, or absorbed through skin. Causes skin irritation. Do not breathe vapor or spray mist. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. Keep away from heat and open flame. Use in well ventilated areas. Contains petroleum solvents.

#### **CONDITION OF SALE**

The following is made in lieu of all warranties, express or implied:  
Seller's only obligation shall be to replace such quantity of this product proved to be defective. Seller shall not be liable for any loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for his intended use, and user assumes all risk and liability whatsoever in connection therewith. The foregoing may not be changed except by an agreement signed by an officer of seller.
