### Application for Pesticide - Section I

1. Company/Product Number 5887-46	2. EPA Product Manager Jim Tompkins	3. Proposed Classification <input type="checkbox"/> None <input type="checkbox"/> Restricted
4. Company/Product (Name) Black Leaf Grass, Weed & Vegetation Killer	PM# 25	
5. Name and Address of Applicant (Include ZIP Code) Value Garden Supply, LLC. P. O. Box 585 St. Joseph, MO 64502 <input type="checkbox"/> Check if this is a new address	6. Expedited Review. In accordance with FIFRA Section 3(c)(3) (b)(i), my product is similar or identical in composition and labeling to: EPA Reg. No. _____ Product Name _____	

### Section - II

<input type="checkbox"/> Amendment - Explain below.	<input type="checkbox"/> Final printed labels in response to Agency letter dated _____	<b>NOTIFICATION</b> JUL 30 2003
<input type="checkbox"/> Resubmission in response to Agency letter dated _____	<input type="checkbox"/> "Me Too" Application.	
<input checked="" type="checkbox"/> Notification - Explain below.	<input type="checkbox"/> Other - Explain below.	

**Explanation:** Use additional page(s) if necessary. (For section I and Section II.)

Notification of label change relative to PR Notice 2001-6. This notification is consistent with the guidance in PR Notice 2001-6 and the requirements of EPA's regulations at 40 CFR 156.10 and 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the guidance of PR Notice 2001-6 and the requirements of 40 CFR 156.10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

### Section - III

1. Material This Product Will Be Packaged In:				2. Type of Container	
Child-Resistant Packaging <input type="checkbox"/> Yes <input type="checkbox"/> No	Unit Packaging <input type="checkbox"/> Yes <input type="checkbox"/> No	Water Soluble Packaging <input type="checkbox"/> Yes <input type="checkbox"/> No		<input type="checkbox"/> Metal	<input type="checkbox"/> Plastic
* Certification must be submitted		If "Yes" Unit Packaging wgt.	No. per container	If "Yes" Package wgt.	No. per container
				<input type="checkbox"/> Glass <input type="checkbox"/> Paper <input type="checkbox"/> Other (Specify) _____	
3. Location of Net Contents Information <input type="checkbox"/> Label <input type="checkbox"/> Container		4. Size(s) Retail Container		5. Location of Label Directions <input type="checkbox"/>	
6. Manner in Which Label is Affixed to Product <input type="checkbox"/> Lithograph <input type="checkbox"/> Paper glued <input type="checkbox"/> Stenciled			<input type="checkbox"/> Other _____		

### Section - IV

1. Contact Point (Complete items directly below for identification of individual to be contacted, if necessary, to process this application.)					
Name Carrie Crawford		Title Regulatory Affairs Manager		Telephone No. (Include Area Code) 540-864-8490	
<b>Certification</b> I certify that the statements I have made on this form and all attachments thereto are true, accurate and complete. I acknowledge that any knowingly false or misleading statement may be punishable by fine or imprisonment or both under applicable law.					6. Date Application Received <b>(Stamped)</b>
2. Signature 			3. Title Regulatory Affairs Manager		
4. Typed Name Carrie Crawford			5. Date July 15, 2003

### FIRST AID

- If swallowed:**
  - Call poison control center or doctor immediately for treatment advice.
  - Have person sip a glass of water if able to swallow.
  - Do not induce vomiting unless told to do so by the poison control center or doctor.
- If in eyes:**
  - Do not give anything by mouth to an unconscious person.
  - Hold eye open and rinse slowly and gently with water for 15 – 20 minutes.
  - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
- If inhaled:**
  - Call a poison control center or doctor for treatment advice.
  - Move person to fresh air.
  - If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
  - Call a poison control center or doctor for further treatment advice.
- If on skin or clothing:**
  - Take off contaminated clothing.
  - Rinse skin immediately with plenty of water for 15-20 minutes.
  - Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

For information of this product (including health concerns, medical emergencies or pesticide incidents) call the National Pesticide Information Center at 1-800-858-7378.

### PRECAUTIONARY STATEMENTS

#### Hazards to Humans and Domestic Animals

**CAUTION:** Harmful if swallowed. Avoid getting in eyes. Avoid breathing spray mist. Wash clothing and equipment after application. Do not leave containers where children and animals may take the chemical internally. Avoid contamination of and storage near, feed or food products.

### ENVIRONMENTAL HAZARDS

Do not contaminate irrigation or domestic waters. Spray drift, seepage and drainage will injure or kill all vegetation. Keep out of lakes, ponds or streams. Do not contaminate water when disposing of equipment washwaters.

## PERSONAL PROTECTIVE EQUIPMENT (PPE):

Applicators and other handlers must wear:

- Long-sleeved shirt and long pants
- Waterproof gloves
- Shoes plus socks

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

### USER SAFETY RECOMMENDATIONS

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**DO NOT USE ON LAWNS.** Do not apply on or near turf, gardens, valuable trees, or other plants, or in areas into which their roots may extend, or on slopes where "run-off" will move the chemicals into the root areas of useful plants. The chemical should be used only where unproductive soil is not objectionable.

**GENERAL SPRAYING:** Spray thoroughly to wet plant, using a hand or power sprayer. Grass, Weed & Vegetation Killer should be sprayed thoroughly over the infested area while weeds are small. Avoid application in hot, dry weather, since the killing action of Grass, Weed & Vegetation Killer is through both the roots and the tops of plants, and therefore moisture is necessary after application, to take the chemical into the soil to kill deep-rooted perennials. Fall application should be made in areas of 20 inches or less rainfall. Since some of the chemical is apt to be lost by undesirable plant growth. By preventing weed growth early, you are decreasing the ever-present fire hazard that can become dangerous due to dead and dry vegetation.

**ANNUAL AND PERENNIAL WEEDS:** To control annuals and knock down top growth of perennials, use 1 quart of Grass, Weed & Vegetation Killer in 2 gallons of water and spray unwanted plants thoroughly.

**PERENNIAL WEEDS AND GRASSES:** Use 1 quart per 100 sq. ft. and apply in a sufficient amount of water in order to facilitate uniform coverage. For control of weeds with creeping root stalks, treat all soil to within 6 ft. of visible vegetation, in order to destroy the spreading roots.

#### TO KILL ALL VEGETATION AND MAKE SOIL BARREN

Amount of Grass, Weed & Vegetation Killer	Area to be Controlled
1 Pint	50 sq. ft.
1 Quart	100 sq. ft.

#### TO KILL WEEDS AND ALL TOP GROWTH

Amount of Grass, Weed & Vegetation Killer	Area to be Controlled
1 Pint	100 sq. ft.
1 Quart	200 sq. ft.

After determining size of area to be treated, make sure that the correct amount of this product is applied to area to be treated, as recommended in above chart. Sufficient water may be added to facilitate distribution of this material, but make sure that Grass, Weed & Vegetation Killer is applied at recommended rate.

#### Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Store in upright, tightly closed original container in a cool, dry, locked area away from flames, sparks, sunlight, other chemicals, and other sources of ignition, heat, degradation, or contamination. Keep above 32°F (0); if allowed to freeze, thaw and shake thoroughly before using. Keep in original container and preferably in a locked storage area inaccessible to children and pets.

**Disposal:** If Empty: Do not reuse this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
