MAY 23 1983

Dear Mr. Sawyer:

Subject: Amendment - Updated Labeling
BLACK LEAF SPOT WEED KILLER
EPA Registration No. 5887-55
Your Submission of May 12, 1983

Make the following labeling changes before you release the product for shipment bearing the amended labeling:

1. Under PRECAUTIONARY STATEMENTS, expand "HAZARDS TO HUMANS" to read:
"HAZARDS TO HUMANS AND DOMESTIC ANIMALS"
2. Under ENVIRONMENTAL HAZARDS, add "Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes."
3. Revise the STORAGE AND DISPOSAL section as indicated by the enclosed "Disposal Statements for Pesticides."
4. You may delete "(water)" from the INERT INGREDIENTS statement.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Richard F. Mountfort
Product Manager (23)
Fungicide-Herbicide Branch
Registration Division (TS-767)

Enclosure: Stamped labeling

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS

CAUTION

May be harmful if swallowed. Avoid contact with eyes, skin and clothing.
Wash with soap and water after handling.

ENVIRONMENTAL HAZARDS

Do not use BLACK LEAF SPOT WEED KILLER in flower beds or close to
ornamental shrubbery or flowers, as vapors from the product may injure
susceptible plants in the immediate vicinity. May cause injury to bent
grass and clover.

(REAR PANEL) cont.

DIRECTIONS FOR USE ✓

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

BLACK LEAF SPOT WEED KILLER is designed specifically for "spot" weeding lawns. To cover large areas heavily infested with weeds, use BLACK LEAF LAWN WEED KILLER concentrate, diluted in accordance with directions and applied with a hose-end sprayer.

BLACK LEAF SPOT WEED KILLER contains powerful 2,4-D for effective, thorough control of a broad range of weeds infesting lawns.

To use, shake thoroughly, adjust spray nozzle to stream. Apply a small quantity directly to kill dandelions, wild onions, pennywort, plantain, heal-all and similar common weeds when the plants are growing vigorously. It is not necessary to drench the weeds; a light application to wet the foliage thoroughly is adequate. Repeat as necessary. Avoid spray drift to desirable plants.

STORAGE AND DISPOSAL

Store at temperatures above 32° F. Do not reuse container. Rinse thoroughly before discarding in trash.

NOTICE: Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herewith.

This product is licensed under one or more of the following U.S. patents: 2,390,941; 2,394,916; 2,396,513; 2,412,510; 2,453,983; 2,472,347; Re 23,115.
