NOTIFICATION
MAY 31 2006

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulation at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May be harmful if swallowed. Avoid contact with eyes, skin, and clothing. Wash with soap and water after handling.

Personal Protection Equipment (PPE):

Applicators and other handlers must wear long-sleeved shirt and long pants, waterproof gloves, shoes plus socks, and protective eyewear. Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instruction for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

User Safety Recommendations:

Users should:

- * Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- * Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- * Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

FIRST AID

If swallowed: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

For information on this product (including health concerns, medical emergencies or pesticide incidents) call the National Pesticide Information Center at 1-800-858-7378.

576

ENVIRONMENTAL HAZARDS

The product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

SPOT WEED KILLER contains powerful 2,4-D for effective, thorough control of a broad range of weeds infesting lawns.

SPOT WEED KILLER is designed specifically for spot weeding of lawns.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

NOTE: Do not use SPOT WEED KILLER in flower beds or close to ornamental shrubbery or flowers, as vapors from the product may injure susceptible plants in the immediate vicinity. May cause injury to Bent Grass and Clover. Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment area until spray has dried.

TO USE: SHAKE THOROUGHLY. Adjust spray nozzle to stream. Apply a small quantity directly to kill Dandelions, Heal-all, Pennywort, Plantain, Wild Onions, and similar common weeds when the plants are growing vigorously. It is not necessary to drench the weeds; a light application to wet the foliage thoroughly is adequate. Repeat as necessary. Avoid spray drift to desirable plants. Do not use as a broadcast spray.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store at room temperatures above 32°F. Keep in original container and preferably in a locked storage area inaccessible to children and pets.

Disposal: If Empty: Do not reuse this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: Buyer assumes all risk and liability of use, storage and/or handling of this material not in accordance with the terms of this label.

Subject: NOTIFICATION
Black Leaf Spot Weed Killer
EPA Reg. No. 5887-55

Notification Team:

Value Garden Supply, LLC is submitting the subject product for notification to add marketing claims and pests to the label in accordance with PR-Notice 98-10. The pests are common weed species that occur on the specific site on the approved label, the dosage, frequency, concentration or method of application does not change and the addition of these weeds does not increase exposure of the pesticide to humans or the environment.

Along with the application form, we are enclosing two copies of the label with the additions highlighted on one label. If there are any questions regarding this submission please contact this office.

Sincerely,

Steven E. Rogosheske
Regulatory Affairs Manager
