Shake well before each use. Remove protective cap. Aim spray up to avoid person. Push button to spray.

ROACHES, EARWIGS, GRAIN MITES, SOUBUGS, SPIDERS AND CENTIPEDES

Contact Spray: Spray thoroughly into hiding places such as cracks, crevices, door openings, around pipes and sinks, under refrigerator, back of refrigerator, and storage area. Spray directly on insects where possible. Repeat as necessary.

Residual Spray: Spray baseboards, cracks and crevices around the perimeter of walls and other hiding places such as closets, in back of refrigerator, under sinks, and cubboards in the kitchen and bathroom. In baseboard spray, spray in cracks, crevices and cubboards in the kitchen and bathroom. Spray at the top of the second door near the top of a distance of 12 to 14 inches from the surface. Repeat as necessary.

WASPS: Applications should be made in the late evening when the insects are at rest. Spray liberally into hiding and breeding places, contacting as many as possible. Repeat as necessary.

ANTS: Apply to ant trails and around doorways and windows where ants may enter. Repeat as necessary.

HOUSEHOLD PESTS—KILLS Houseflies, Mosquitoes, and Gnats: Turn on lights and windows. Point nozzle upward. Direct spray into corners of room, especially windows and other light sources which attract these insects. Leave the room with lights on. Then leave the treated area. Keep the room closed for at least 15 minutes, ventilate the room when treatment is completed.

OUTDOORS—TO REDUCE ANNOYANCE FROM FLYING INSECTS: (Includes mosquitoes, gnats, midges, houseflies, bees, flies, horse flies, and winged ants.) By spraying their resting areas. Follow precautions listed above. Do not spray on shrubs, bushes and grassy areas. Spray these areas with a fine, sweeping motion at the rate of from 1 to 3 seconds per cubic yard of space. While mosquitoes are from the treated areas. To reduce annoyance from these flying insects, wear repellents and hats in the proper manner. Spray only when the air is still. Allow spray to dry before occupying the treated area. Repeat as necessary.

DISPOSAL

To reuse empty container, wrap container and do not reuse. NOTICE: Buyer assumes all risks of use, storage or handling of this product in accordance with the directions given hereon.
