

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Avoid contact with eyes, skin or clothing. In case of contact immediately flush eyes and skin with plenty of water. Get medical attention if irritation persists. Harmful if swallowed. Cover or remove exposed foods. Avoid contamination of cooking utensils and food preparation surfaces. Remove pets, birds, and cover fish aquariums before spraying. Do not use on edible crops.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and birds. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130 F. may cause bursting. Never throw container into fire or incinerator.

DIRECTIONS FOR USE

General Classification

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Shake well before each use. Remove protective cap. Aim spray opening away from person. Push button to spray. Spray directly on insects. Hold can 18 inches from the infested plants. Spray in short bursts of one to three seconds or spray at the rate of one linear foot of growth per second. Direct spray to all sides covering foliage until slightly moist. Avoid heavy wetting. Repeat as necessary to obtain control.

INDOORS—TO PROTECT HOUSE PLANTS: Kills aphids, exposed thrips, adult whiteflies on African violets, philodendron, geraniums, begonias, coleus. Spray as directed above.

OUTDOORS—TO PROTECT ORNAMENTAL PLANTS: Kills aphids, exposed thrips, adult whiteflies, leafhoppers, plant bugs, spittlebugs and Japanese beetles on smaller rhododendrons, pines, spruce, hemlock, spirea, dogwood, palm, mimosa, toyon, viburnum, euonymus, oaks, maples, locust, forsythia and althea. Kills mimosa webworm larvae on mimosa. (Spray directly on insects) Spray as directed above.

Kills aphids, exposed thrips, adult whiteflies, leafhoppers, plant bugs, spittlebugs and Japanese beetles on peonies, iris, zinnia, snapdragons, ageratums, chrysanthemums, nasturtiums, daisy, geraniums, marigolds, daphne, fatsihedera, ivy, tobacco, queen sago and broad leaf acacia. Spray as directed above.

Kills aphids, exposed thrips, adult whiteflies, leafhoppers, plant bugs, spittlebugs and Japanese beetles on Ornamental Quince, Juniper, Cypress, Ornamental Mulberry, Ash, Coloneaster, Rose, Camellia, Azalea, Pyracantha and Caeothus. Use with extreme caution. Certain varieties have shown some leaf burn under certain conditions of use such as heavy dosage. Spray as directed above.

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.

NOTICE: Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herewith.
