### **DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Lawn Edging Liquid is a ready-to-use product. Uniformly spray 1/2 gallon per 165 sq. ft. of soil surface or a strip 4 inches wide, 500 feet long. To make a 4 inch wide band hold applicator end about 6 inches from surface to be treated. To obtain wider band raise container. Thoroughly wet all foliage and stems of undesired vegetation to insure contact action. Best results are obtained when applications are made during normal moisture conditions and on clear days when the temperature is about 75°F. The degree of control and duration of effect will vary with weed species, rainfall temperature, and other conditions.

Lawn Edging Liquid is also an effective control spray for control of: Woody Perennials such as poison ivy, poison oak, and poison sumac; Perennials such as leafy spurge, bitter dock, goldenrod, perennial ragweed, milkweed, and blueweed; and Annuals such as crabgrass, broomweed, chickweed, cocklebur, jimsonweed, lambsquarters, larkspur, prickly lettuce, ragweed and shepherdspurse.

This product can also be used around drainage ditch banks, fuel tanks, roadways, storage acres, machinery, pumps, guard rails, airports, military installations, highway medians, pipelines, railroads, lumberyards, industrial sites, light poles, fire hydrants, right-of-way...or similar areas.

RIGHT SIDE PANEL

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
CAUTION**

Harmful if swallowed. Avoid contact with eyes and skin. In case of skin or eye contact, wash with plenty of water. Get medical attention if irritation persists.

**ENVIRONMENTAL HAZARDS**

Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of waste. This product is non-selective. Do not use on desirable plants or vegetation.

**PHYSICAL HAZARDS**

This product is corrosive to many metals. Keep away from such materials.

**STORAGE AND DISPOSAL**

Store at temperatures above 32°F. Do not reuse container. Wrap container and put in trash collection.

NOTE: Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
