

CHEM KLEEN is designed for institutional use, where disinfection is of prime importance to housekeeping.

CHEM KLEEN is a hard surface cleaner. It is recommended for use in cleaning and disinfecting floors, walls, sinks, garbage cans and bedpans.

Use Directions:

Add two (2) ounces of **CHEM KLEEN** per a gallon of water.

Where heavy soil or organic matter is encountered, a pre-cleaning step is recommended.

Do not mix **CHEM KLEEN** with soap or anionic detergents.

Rinse empty container thoroughly with water and discard it.
