

CHLORDANE 72% E.C.

WARNING:
KEEP OUT OF REACH OF CHILDREN
SEE OTHER CAUTION STATEMENTS
ON SIDE PANEL.

ACTIVE INGREDIENTS:	
Technical Chlordane	72%
Aromatic Petroleum Hydrocarbons	21%
INERT INGREDIENTS	7%

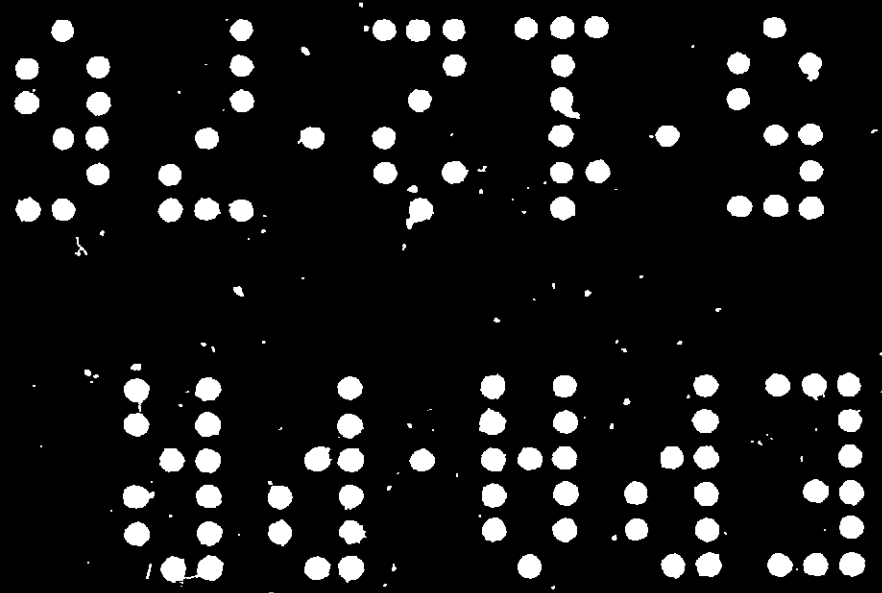

TOTAL 100.0%

Equivalent to 43.2% Deltachloro-4,7-methanotetrahydrodane and related compounds (8.8%)

LIQUID CHLORDANE 72% E.C.
contains approx. 4.5% Deltachloro-4,7-methanotetrahydrodane.

NET CONTENTS: ONE QUART

CHLORDANE 72%

E.C.

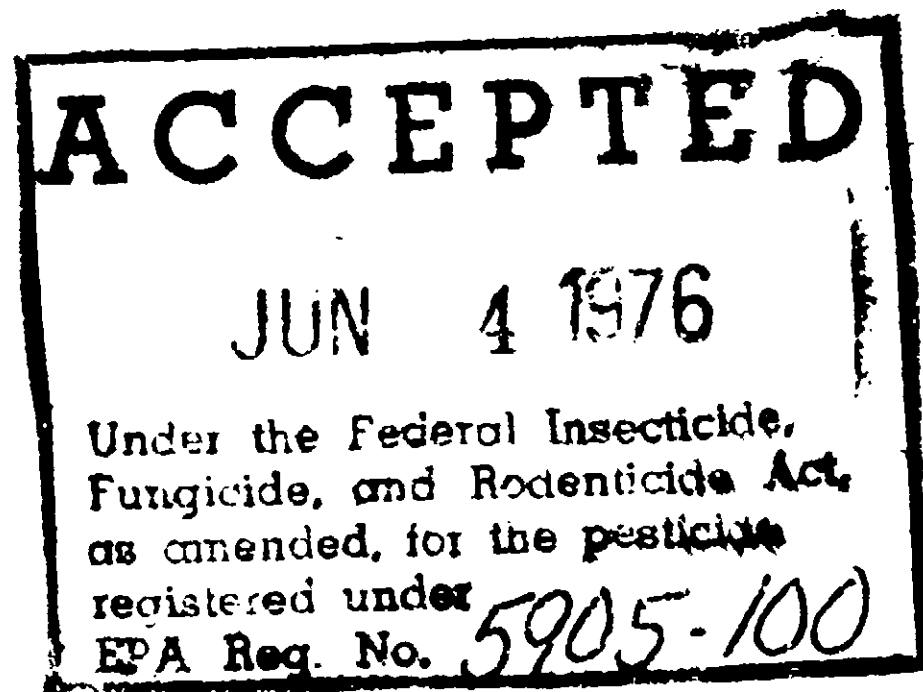

WARNING:
KEEP OUT OF REACH OF CHILDREN

ON SIDE PANEL.

TERMITES IN SOIL: Use 1/2 to 2 gals. in 100 gals. of water, or 2 to 5 table-
spoonfuls per gal. Apply as a coarse spray or with sprinkling can. Use
sufficient amount of dilute mixture to thoroughly soak infested soil area.
For treating barrier trenches next to foundation walls, buildings having
basements or crawl spaces, dig a trench along the outside of the founda-
tion walls. In brick or hollow block or concrete foundations, dig a trench
to, but not below, the footing. Then as the trench is refilled, treat the soil
at the rate of 4 gallons per 10 linear feet for each foot of depth. A trench
3 feet deep would require 12 gallons per 10 linear feet.

The objective is to establish a treated soil barrier which will prevent ter-
mite entry. Other critical areas may also require treatment. It is suggested
that you consult the State Extension Service for advice.

Inspect annually when using the above method.

DO NOT RE-USE THIS CONTAINER FOR ANY PURPOSE

WARNING

Contact with skin can cause toxic symptoms.

Harmful if swallowed. Do not get on skin or clothing. In case of contact with skin, wash with soap and water. Do not contaminate feed and food-stuffs. Do not apply where runoff is likely to occur. Keep out of reach of children.

Do not use in poultry houses.

Do not use this product on dairy animals, in dairy barns, or on forage crops which are to be fed to dairy animals or those animals being finished for slaughter. Do not use this material in any area not specified on this label.

This product is toxic to fish, birds and other wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

WARRANTY AND LIMITATION OF DAMAGES. Helena Chemical Company warrants that this material conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use and Conditions of Sale, subject to the inherent risks referred to therein. Helena Chemical Company makes no other express or implied warranty, including any other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Helena Chemical Company is authorized to do so except in writing, with a specific reference to this warranty. Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damages such as loss of profits or value, etc.
