EPA Reg. No. 5905-108

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

#### CAUTION:

Harmful if swallowed (Inhaled or absorbed through the skin). Avoid contact with skin, eyes or clothing. Avoid breathing dust or spray mist. Wash thoroughly with soap and water after handling.

#### STATEMENT OF PRACTICAL TREATMENT

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.

IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.

IF SWALLOWED: Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Call a physician or Poison Control Center.

#### ENVIRONMENTAL HAZARD

Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

#### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

#### RE-ENTRY

Do not apply this product in such a manner as to directly or through drift expose workers or other persons. The area being treated must be vacated by unprotected persons.

Do not enter treated areas without protective clothing until sprays have dried. Because certain states may require more restrictive reentry intervals for various crops treated with this product, consult your State Department of Agriculture for further information.

Written or oral warnings must be given to workers who are expected to be in a treated area or in an area about to be treated with this product. Oral warnings must be given if there is reason to believe that written warnings cannot be understood by workers. When oral warnings are given, warnings shall be given in a language customarily understood by workers. Written warnings must include the following information: "CAUTION: Area treated with Clean-Up on (date of application). Do not enter without appropriate protective clothing until sprays have dried. In case of accidental exposure: Call a doctor (physician), clinic or hospital immediately. Explain that the victim has been exposed to Clean-Up and describe his condition." For further information see the center panel of the pesticide label.

#### CHEMIGATION PROHIBITION

Do not apply this product through any type of irrigation system.

#### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

CLEAN-UP is a granulated, non-selective weed killer designed to be applied dry to the surface of the ground for control of weeds and grasses. The product is formulated for use on industrial and other non-crop areas (fence rows, around buildings, equipment areas, industrial areas, pole yards, and storage tanks ) where lasting residual effect is desired.

#### DIRECTIONS

Clean-Up must be spread uniformly at rates given for effective weed control. Apply with a seeder or granular herbicide applicator. Killing action is primarily through the roots of plants, so moisture is required after application to carry the chemical to the root zone. With too little moisture, results may be slow to appear. Avoid application in hot dry weather.

For annuals or shallow rooted plants - apply 1 pound per 100 square feet. Make application in the spring or when weeds are small.

For perennial and deep rooted plants - Apply 1 to 1½ pounds per 100 square feet. Where Johnson, Bermuda, and Vasey grasses are a serious problem, apply 1-¾ pounds per 100 square feet for first application. For heavy or organic soils, apply at 2 pounds per 100 square feet. Make application whenever weeds or grasses are not over a few inches high. Rank vegetation should be cleared before treatment. This reduces fire hazard of dead weeds and aids in getting more even coverage of the area.

#### NOTICE

Do not apply on or near desirable trees or other plants, or on other areas where their roots may extend, or in locations where the chemical may be washed or moved into contact with it.

Do not apply on or near desirable trees or other plants, or on other areas where their roots may extend, or in locations where the chemical may be washed or moved into contact with their roots. DO NOT use on lawns, walks, driveways, tennis courts or similar areas. DO NOT apply near desirable plants. DO NOT contaminate domestic waters. Thoroughly clean application equipment after use. DO NOT use equipment with which Clean-Up has been applied for applying insecticides, fungicides, and fertilizers as plant injury may result.

DO NOT STORE WITH FOODSTUFFS. STORE IN A COOL, DRY PLACE.

454

Avoid direct contact with ground or concrete floors.

CONDITIONS OF SALE - LIMITED WARRANTY  
AND LIMITATIONS OF LIABILITY AND REMEDIES

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions, the failure to follow the label directions, or good application practices, all of which are beyond the control of Helena or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. Helena warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of Helena. Helena makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against Helena for any cause of action relating to the handling or use of this product is a claim for damage and in no event shall damages or any other recovery of any kind against Helena exceed the price of the product which causes the alleged loss, damage, injury, or other claim. Helena shall not be liable and any and all claims against Helena are waived, for special, indirect, incidental, or consequential damages or expense, of any nature, including, but not limited to, loss of profits or income, whether or not based on Helena negligence, breach of warranty, strict liability in tort or any other cause of action.

Helena and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
