GENERAL DIRECTIONS

Apply Helena NEMAGON S-1 for the control of nematodes when soil temperatures at a depth of 6 to 8 inches are in the range of 50 degrees to 80 degrees F. The soil should be in good tilth and contain adequate moisture for good seed germination. Extremely wet or dry soils should not be treated. Application on commercial acreage should be made with equipment designed for even distribution at the specified depth. Recommended for mineral soils only.

PRE-PLANT TREATMENT:

POW: Apply Helena NEMAGON S-1 in the rows to be planted at a depth of 6 to 8 inches, taking care to seal the chisel channels with a press wheel. Adjust chisels at same spacing as planter.

OVERALL: Apply Helena NEMAGON S-1 evenly in rows 12 inches apart at a depth of 6 to 8 inches, taking care to seal chisel channels with a drag or press wheel. Apply at a rate of 4-6 gallons per acre.

HELENA CHEMICAL COMPANY

USE AND DIRECTIONS FOR APPLICATION

COTTON: Apply 2 gallons of Helena NEMAGON S-1 per acre in the row as a pre-plant or at planting. The material should be placed at a depth of 6 to 8 inches when the soil temperature is in a range of 50 degrees to 80 degrees F. On extremely deep sandy soils, apply Helena NEMAGON S-1 to a depth of 8 to 10 inches below the surface of the soil. After application, care must be taken to seal the chisel channels with a heavy drag, cultipacker, or other implement so as to prevent the fumigant from escaping into the air. Rate stated above is for 42" row spacing.

**WARNING! MAY CAUSE IRRITATION OF
SKIN, EYES, NOSE AND THROAT.**

Do not breathe vapors. Do not take internally. Wash thoroughly with soap and water after handling and before eating or smoking. In case of spillage on person or clothing, immediately remove clothing and flush skin or eyes with plenty of water.

For eyes, get medical attention. Wash clothing and air shoes thoroughly before re-use. Keep away from heat and open flame. May burn skin. Do not breathe vapors or fumes. Harmful if swallowed. Do not contaminate or store near feed or foodstuffs.

NOTICE OF WARRANTY

WARRANTY AND LIMITATION OF DAMAGES. Helena Chemical Company warrants that this material conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the Directions for Use and Conditions of Sale, subject to the inherent risks referred to therein. Helena Chemical Company makes no other express or implied warranty, including any other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Helena Chemical Company is authorized to do so except in writing, with a specific reference to this warranty. Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damages such as loss of profits or value, etc.
