

DIRECTION FOR USE

HOUSEFLIES

RESIDUAL WALL SPRAY: For control of houseflies in dairy barns, hog pens, sheds, poultry houses and other farm buildings mix one gallon of **CYBROM - EC** in 24 gallons of water. Apply this spray to walls, ceilings, and all fly resting areas to the point of runoff. One gallon of spray will cover 500 to 1000 square feet of surface.

CYBROM - EC will control flies up to 8 weeks. Repeat application as necessary.

Remove animals and poultry from building prior to spraying.

SPOT SPRAY: Mix 1 gallon of **CYBROM - EC** with 20 gallons of water and apply with knapsack or similar type sprayer to doorways, windows or other fly resting areas. Repeat as necessary.

HOUSEFLY MAGGOTS: To control maggots in poultry droppings, caged layer houses, garbage piles, and other breeding spots, mix one gallon of **CYBROM - EC** with 20 gallons of water and apply as a course spray or with a sprinkler can. The addition of **Soret** at the rate of 4 to 6 oz. per 100 gallons of spray will aid in the penetration of spray into manure piles. Repeat application as manure or garbage is added.

CYBROM-EC DILUTION TABLE

Volume of CYBROM - EC	Volume of Water			
	Residual Wall Spray	Spot Spray	Housefly Maggots	General Outside Use
1 pint	3	2½	2½	3
1 quart	6	5	5	6
1 gallon	24	20	20	24

GENERAL OUTSIDE USE: To control houseflies around homes, recreational areas, garbage cans, animal quarters, food processing plants, warehouses, loading docks and refuge areas, spray exposed areas, such as walls, fences and refuge containers with one gallon of **CYBROM - EC** in 24 gallons of water. Repeat treatment as necessary.

EPA Reg. No. 5905-207

CYBROM-EC

For the Control of Resistant and Non-Resistant Houseflies.

Contains CYGON® and DIBROM®

CONTROLS HOUSEFLIES UP TO EIGHT WEEKS.

WARNING:

KEEP OUT OF REACH OF CHILDREN

CYBROM-E.C.

For the Control of Resistant and Non-Resistant Houseflies.

Contains CYGON[®] and DIBROM[®]

CONTROLS HOUSEFLIES UP TO EIGHT WEEKS.

WARNING:

KEEP OUT OF REACH OF CHILDREN

For use only in areas where houseflies are a pest.

WARNING

KEEP OUT OF REACH OF CHILDREN.

VAPOR HARMFUL. MAY BE FATAL IF SWALLOWED. Concentrated material causes eye irritation. Avoid breathing vapor or spray mist. Use only with adequate ventilation. Avoid contact with skin and eyes. Wash thoroughly after handling. Avoid contamination of feed and foodstuffs.

Do not use, pour, spill or store near heat or open flame.

Do not contaminate feed and foodstuffs, drinking fountains, litter and feed trays. Do not use in milk rooms or milk storage rooms. Do not use in homes.

This product is toxic to fish, birds and other wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

In case of contact with eyes, flush eyes with water for at least 15 minutes. Get medical attention.

NOTE TO PHYSICIANS: This product may cause cholinesterase inhibition. Atropine is antidotal.

WARRANTY AND LIMITATION OF DAMAGES: Helena Chemical Company warrants that this material conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use and Conditions of Sale, subject to the inherent risks referred to therein. Helena Chemical Company makes no other express or implied warranty, including any other express or implied warranty of **FITNESS** or of **MERCHANTABILITY**, and no agent of Helena Chemical Company is authorized to do so except in writing with a specific reference to this warranty. Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damages such as loss of profits or values, etc.

CONTAINER DISPOSAL: Do not reuse empty container. Destroy empty container, chop holes in top and bottom. Bury 18" below soil surface at safe disposal site.
