Mr. Pace:

RE: HELENA VISION, EPA REG. NO. 5905-576
CORRECTION OF PESTICIDE PRODUCT NAME FROM ALB 40 TO HELENA
VISION

The pesticide product name was incorrectly stated as ALB 40 on your Product Registration Form. The label with EPA Reg. No. 5905-576 dated March 3, 2008, states the product name as ALB 40. The Confidential Statement of Formula and your accompanying Administrative Letter states that the name of this product is Helena VISION.

Enclosed is a revised Product Registration Form with the Name of Pesticide Product correct to Helena VISION. Bullet 2 (l) on page 3 was also corrected from "Table 2" to "Table 4". This Product Registration Form supercedes the prior Product Registration Form issued March 3, 2008.

Please contact Phil Errico at 703-305-6663/ Errico.Philip@epa.gov for any assistance in this matter.

Best Regards,
