Pedigree
FLEA COLLAR
KILLS FLEAS
FAST • EFFECTIVE

DIRECTIONS:

Tie collar around dog's neck securely and snugly enough so that it cannot slide over the head. Keep dog's sleeping quarters clean and flea-free by treating occasionally with an effective insecticide. Collar kills up to 80% of fleas. Replace as necessary. Effective up to six weeks. Follow directions for best results.

ACTIVE INGREDIENT:

Gamma Isomer of Benzene Hexachloride
from Lindane 3/4%

INERT INGREDIENTS 99 1/4%

Weight 1/10 ounce

CAUTION: Keep away from children. Contents harmful if swallowed, excessively handled or inhaled. Contents protected by seal until used.
