DIRECTIONS FOR USE

Use Concentrations

Volume of this product	Volume of water	Solution Strength of Active Agent	Sanitizing Method
1 fl. oz. (2 tblsp.)	2 gal.	200 ppm*	Immersion Brushing or
2 fl. oz. (4 tblsp.)	2 gal.	400 ppm*	Circulation Spray

*PPM indicates parts of this product's active agent (Dodecylbenzene Sulfonic Acid) per million parts of water.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Triple rinse. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

FIRST AID

In case of contact with eyes, flush with water, get medical attention. In case of contact with skin, flush with water. If irritation persists, get medical attention.
