Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended.

NAME OF PESTICIDE PRODUCT

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the Act on 09/07/89 pursuant to the following conditions:

1. Submit/continue all data required for registration/reregistration of your product under FIFRA sec. 5(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the following changes to the label before you release the product for shipment:

- Add the phrase "EPA Registration No. 60111-1."
- The word "CAUTION" must appear directly below the "KEEP OUT OF REACH OF CHILDREN" heading.
- Provide the following:
