FINELAWN BAN DOG CHASER  
IMMEDIATE PROTECTION

This repellent is a blend of fine oils and special odor producers which have been found effective in discouraging nuisances. Use at full strength. Not harmful to shrubbery when used as directed.

**OUT-OF-DOORS:** Spray base of trees, shrubbery, and garbage cans once or twice a week until animal learns to ignore area. Do not spray foliage directly; it is better to spray bark and earth around base. It is sometimes useful to hang a rag which has been saturated in spray in the crotch of a tree or shrub. Renew after rain.

**NOTE:** The most effective control for a pet is the sharply spoken word backed up with disciplinary action. This product should be used in conjunction with disciplinary training.

**WARNING:** If accidentally applied to skin, remove at once, and wash well with warm soap and water. For eyes, flush with water, contact doctor. Keep out of reach of children. Avoid prolonged or repeated contact with skin. Avoid breathing spray mist. As contents of this can are under pressure, keep away from direct sunlight, stoves, hot water, radiators, and other sources of heat. Store at room temperature. Do not puncture container. Do not get on eyes, skin or clothing. Avoid storage near food or feed products.

**WARNING:** Keep out of reach of children. See additional warning on side panel.
