QUAT No. 10

Cleaner - Disinfectant - Deodorizer - Fungicide
for Institutional Use

AOAC Phenol Coefficients

- S. aureus* (ATCC No. 6538)
- Salmonella typhosa* (ATCC No. 6539)

Active Ingredients

Didecyl dimethyl ammonium chloride

Inert Ingredients

97

Quat No. 10 is an industrial cleaner which disinfects as it cleans. It is especially designed for schools, institutions, and industry. A single application removes dirt and grime, disinfects, and is virucidal. When used as directed, the hard surface disinfecting action of Quat No. 10 will reduce the hazard of cross-infection.

~~Quat No. 10 is an extremely effective one-step sanitizer. It cleans and sanitizes in waters up to 1000 ppm hardness with no potable water rinse required. This hard water tolerance is in excess of most potable waters and will insure complete sanitizing action when used as directed.~~

When used as directed, Quat No. 10 will deodorize toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause mal odors.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS
