**H. Kohnstamm & Co., Inc.**

Hospital Products Division

161 Avenue of the Americas, New York, N.Y. 10013

11-13 East Illinois Street, Chicago, Illinois 60611

## PRODUCT DESCRIPTION

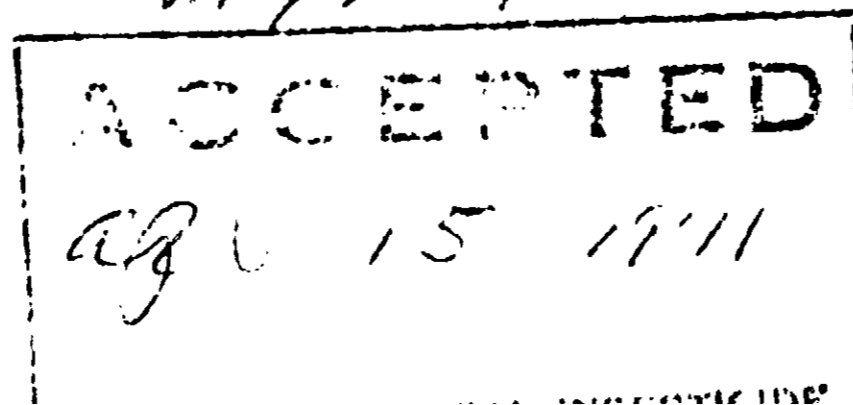

SANI-SPEED GERMICIDAL SOLUTION is a concentrated germicidal agent which should be used with the "SANI-MAT O. R. ENTRANCE UNIT", and on regular carpeting mats. SANI-SPEED GERMICIDAL SOLUTION achieves maximum protection against the transfer of pathogens from potentially contagious hospital areas into or out of critical locations such as Operating Rooms, Delivery Rooms, Recovery Rooms, Intensive Care and Burn treatment areas.

## DIRECTIONS FOR USE

Pour 1½ to 2 quarts SANI-SPEED GERMICIDAL SOLUTION, full strength, evenly on the surface of the foam pad, add sufficient SANI-SPEED GERMICIDAL SOLUTION daily, to maintain adequate fluid level to wet shoes of feet of personnel and wheels of carts and stretchers. (Approx. 1½ quarts per day). Amount of traffic over SANI-MAT O. R. ENTRANCE UNIT will determine when to clean mat and replace solution. Mat should be replaced and the used one cleaned at least once a week.

**CAUTION:** Avoid Contact With Skin and Eyes. Should Concentrate Contact Skin, Wash Promptly And Freely With Tap Water. Harmful If Swallowed. Avoid Contamination Of Food.
