

PARA-SHEEN LABEL

(RIGHT PANEL)

DIRECTIONS FOR USE:

Remove excessive grease, hard films and stains. Rinse away cleaner, and wipe off excess water. Spray on PARA-SHEEN or apply to surfaces with a clean, damp cloth. Rub with a dry, cloth to obtain a smooth glossy finish.

PARA-SHEEN inhibits the growth of a variety of bacteria, such as Staphylococcus aureus, Salmonella choleraesius, Salmonella cubana, Escherichia coli, Proteus vulgaris, Bacillus subtilis.

SUITABLE FOR USE IN DIETARY AND HOUSEKEEPING DEPARTMENTS,
BUT IS NOT INTENDED FOR TERMINAL DISINFECTION.

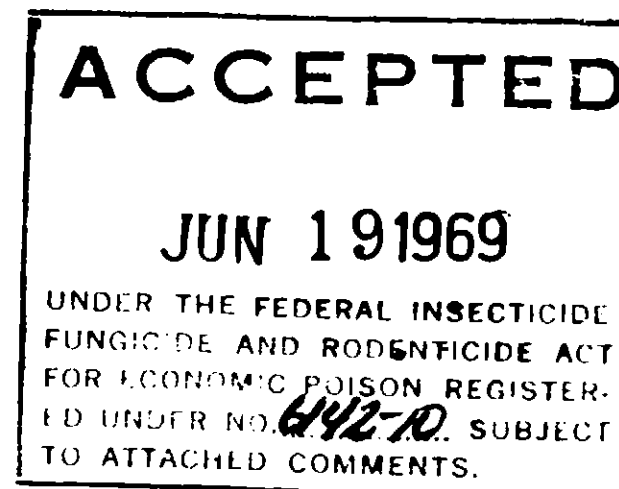

(LEFT PANEL)

GUARANTEE:

PARA-SHEEN does not contain any oily petroleum distillates or abrasives, and will not attract dust or show fingermarks.

PARA-SHEEN will not powder or cake, but leaves a glossy, protective film on all surfaces which lasts indefinitely.

PARA-SHEEN is not an abrasive cleaner and will not remove baked-on grease deposits or stains.
