Ms. Kathleen M. O'Brien
Schering Plough Health Care Products, Inc.
110 Allen Road
Liberty Corner, NJ 07983

Dear Ms. O'Brien:

Subject: Revised Labels: PR Notice 91-4
Muskol Insect Repellent
EPA Reg. No. 6148-8
Muskol Insect Repellent Original Aerosol
EPA Reg. No. 6148-9
Muskol Ultra Insect Repellent
EPA Reg. No. 6148-10
Submission: July 22, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

As new labels are prepared, remove the term "DEET" from the ingredient statement. It may appear elsewhere on the labeling as shown on the submitted copy.

For registration #6148-8, we acknowledge the additional brands: Lotion, Roll-On and Pump Spray.

For registration #6148-10, the term "Extra Strength" is not permitted and must be removed. Refer to PR Notice 91-7.

Sincerely,

RFM
Richard F. Mountfort
Product Manager 10
Insecticide & Rodenticide Branch
Registration Division (H7505C)

29 JUL 1992

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 6148-0

Pump Spray
MAXIMUM STRENGTH
MUSKOL
INSECT REPELLENT PUMP

- Provides up to 10 hours protection against mosquitos, ticks, bites, fleas, and gnats
- 100% DEET
- Resists water, perspiration, and wear
- Works on skin and clothing

DIRECTIONS FOR USE: Read all directions before using this product. It is a violation of federal law to use this product in a manner inconsistent with the label. Hold 4 to 6 inches away from skin or clothing and spray. Keep hand by hand if necessary for complete coverage. Do not apply to eyes. Do not apply to the hands of young children. Do not apply to open wounds, cuts, or irritated skin. Wipe palms after applying. For chiggers and ticks, spray all clothing openings. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning home, wash skin with soap and water. Wash treated clothing.

TO APPLY TO FACE, spray palm of hand and spread on face.

PRECAUTIONARY STATEMENTS
WARNING: Keep out of eyes, lips, and mouth. Harmful if swallowed. If eye contact, flush with plenty of water. Get medical attention if necessary. May cause skin reaction in rare cases. If you suspect that you are reacting to product, wash treated area and call your local poison control center. If you go to the doctor, take this repellent with you. Do not apply to open wounds or irritated skin. Avoid contact with plastic and fabric such as acetone dyed. Will not damage nylon, polyester. May damage some finishes, painted surfaces, and vinyl.

DISPOSAL. Do not reuse empty container and put in trash collection.

DIRECTIONS FOR USE: Read all directions before using this product. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Hold 4 to 6 inches away from skin or clothing and spray. Keep upright. Spread by hand if necessary for complete coverage. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not apply over cuts, wounds, or irritated skin. Wipe palms after applying. For chiggers and ticks, apply around all clothing openings. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing.

TO APPLY TO FACE: Spray palm of hand and spread on face and neck.

PRECAUTIONARY STATEMENTS

WARNING: Keep out of eyes, lips, and mouth. Harmful if swallowed. In case of eye contact, flush with plenty of water. Get medical attention if irritation persists. May cause skin reaction in rare cases. If you suspect that you or your child is reacting to product, wash treated area and call your local poison control center. If you go to the doctor, take this repellent with you. Do not apply over cuts, wounds, or irritated skin. Avoid contact with plastic and fabric such as acetate, rayon and dyneel. Will not damage nylon, cotton, wool, or polyester. May damage some plastics, furniture finishes, painted surfaces, and linoleum.

Disposal: Do not reuse empty container. Wrap container and put in trash collection.
