BACK

MUSKOL® ULTRA
Insect Repellent Spray

Provides effective protection against mosquitos, biting flies, no-see-ums, gnats, sand flies, black flies, and deer flies. Also, repels chiggers, fleas and ticks.

MUSKOL ULTRA's new 360° multi-directional spray provides for flexible product application. Use MUSKOL ULTRA with the can right side up, horizontal, or upside down -- it still allows for complete coverage.

For especially vulnerable skin areas such as face, neck and arms, you may want to use Muskol® Maximum Strength Insect Repellent Lotion with 100% DEET.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. TO APPLY TO FACE: Spray palm of hand and spread on face and neck. DO NOT SPRAY TOWARD EYES AND MOUTH. FOR BEST PROTECTION, SPREAD EVENLY WITH HAND TO MOISTEN ALL EXPOSED SKIN.

WORKS ON CLOTHING TOO: Spray shirts, stockings and hats. For ticks and chiggers also spray pants cuffs, socks and around openings in outer clothing.

Avoid contact with plastics and fabrics such as acetate, rayon and dynel. May damage furniture finishes, plastic and painted surfaces.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS - CAUTION: Harmful if swallowed. Avoid contact with eyes and lips. In case of contact with eyes, flush with plenty of water. If irritation persists, get medical attention. May cause skin reaction in rare cases. Do not apply to severely sunburned or otherwise damaged skin.

PHYSICAL & CHEMICAL HAZARDS - FLAMMABLE: Contents under pressure. Do not use near heat, sparks or open flame. Do not puncture or incinerate containers. Exposure to temperature above 130°F may cause bursting.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.
