Dear Dr. Clark:

Subject: Revised Labeling  
Muskol Ultra Insect Repellent  
EPA Registration Number 6148-10  
Submission Dated December 8, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below:

1. Delete the phrase "try Maximum Strength Muskol Insect Repellent products." No such products are currently registered.
2. Revise the heading "ACTIVE INGREDIENTS" to read "ACTIVE INGREDIENT." There is only one active ingredient in the product.

A stamped copy of the label is enclosed for your records.

In addition, a review of the file indicates that the confidential statement of formula (CSF) for this product is out of date. The most recent CSF is dated February 8, 1985. Since that time, EPA has revised its policies for confidential statements of formula. You may wish to consult Pesticide Regulation Notice 91-2 and 40 CFR 158.175 for information on how to revise the CSF.

If you have any questions or comments, please contact me at (703) 305-6788.

Sincerely,

RPK
