6148-11

Date of Issuance:  
14 MAR 1996

Term of Issuance: Conditional

NOTICE OF PESTICIDE:  
  x   Registration  
      Reregistration

Name of Pesticide Product:  
Coppertone Sun And  
Bug Block

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Schering-Plough HealthCare Prod., Inc.  
3030 Jackson Avenue  
Memphis, TN 38151

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 6148-11".
- b. Delete the claim for deer ticks.
- c. Change the statement, "May cause eye injury." to read "Causes moderate eye irritation."

Signature of Approving Official:

RRK

Date:

14 MAR 1996

d. Add a Statement Of Practical Treatment to read as follows:

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

IF ON SKIN: May cause skin reactions in rare cases. If so wash with soap and water. Get medical attention if irritation persists.

3. Submit two (2) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

RPK

 648-11

Coppertone® Sun and Bug Block lotion is specifically formulated to provide protection for over two hours against mosquitoes, deer ticks, gnats, and biting flies (sand flies, black flies, and deer flies), as it protects you from the sun. It is water-resistant and provides protection from UVA and UVB rays. It moisturizes dry skin and regular use may help reduce the chance of long term sun damage such as premature aging, wrinkling, and skin cancer.

**DIRECTIONS FOR USE:**

Read all directions before using this product. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Shake well. Apply evenly before exposure to sun and insects. Reapply after prolonged swimming or excessive perspiration. Use just enough product to cover exposed skin. Do not use under clothing. Frequent reapplication and saturation is unnecessary for effectiveness. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you. Do not apply to eyes and mouth, and do not apply to the hands of young children. Wipe palms after applying. Avoid overexposure. After returning indoors, wash treated skin with soap and water. **CONSULT PHYSICIAN BEFORE USE ON CHILDREN UNDER 6 MONTHS OF AGE.**

**PRECAUTIONARY STATEMENTS**

**CAUTION:** Harmful if swallowed. Do not apply over cuts, wounds, or irritated skin. Avoid contact with eyes and lips. May cause eye injury. Use of this product may cause skin reactions in rare cases. Avoid contact with plastic and fabric such as acetate, rayon and dynel. May damage some plastics, furniture finishes, painted surfaces, and linoleum. Will not damage nylon, cotton, wool, or polyester.

**Disposal:** Do not reuse empty container. Wrap container and put in trash collection.

Active sunscreen ingredients: Ethylhexyl p-methoxycinnamate, oxybenzone, 2-Ethylhexyl salicylate, homosalate.

Other ingredients: Water, sorbitan oleate, sorbitol, glyceryl stearate SE, sorbitan stearate, stearic acid, hydrogenated vegetable oil, octadecene/MA copolymer, triethanolamine, benzyl alcohol, fragrance, dimethicone, methylparaben, imidazolidinyl urea, propylparaben, tocopherol (Vitamin E), aloe extract, jojoba oil, acrylates/C 10-30 alkyl acrylate crosspolymer, disodium EDTA.
