Mr. Ray Rodriguez
Agribusiness Marketers Inc.
2667 West Dual
Baton Rouge, LA 70814

Dear Mr. Rodriguez:

Subject: Label Amendment and Response to Rotenone Reregistration
Otocide with Rotenone
EPA Registration No. 6175-19
Your Submission Dated April 8, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, provided that you make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

1. Statement of Practical Treatment should read as follows:

IF SWALLOWED: Call a physician or Poison Control Center immediately. If possible, vomiting should be induced under medical supervision. Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Get medical attention if irritation persists.

2. Under the heading Hazards to Humans add:

Harmful if swallowed. Keep away from eyes. Avoid inhalation and skin contact. Avoid contamination of feed and foodstuffs. Do not use on humans.

We acknowledge receipt of your April 10, 1989 submission in response to Rotenone reregistration document dated October 7, 1988.
