Baton Rouge, LA 70814

Dear Mr. Blanchard:

Subject: Spray Kill for Dogs, Cats, and Horses
EPA Registration No. 6175-38
Your Amendment Request of August 20, 1986

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable. However, you must agree to provide the following:

1. Agree in writing that you will submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data. If the conditions of this amendment are not complied with after acceptance, the registration will be subject to cancellation in accordance with section 6(e) of the Act.
2. Submit five (5) final printed labels (labeling) within 75 days. If finished labeling cannot be furnished within the 75-day period, an extension should be requested.

Please note that this labeling approval is for the following additional statements to your products label:

1. In the DIRECTIONS sections: "Do not use on puppies or kittens under 6 weeks of age."
2. In the PHYSICAL OR CHEMICAL HAZARDS section: "USE ONLY IN WELL-VENTILATED AREA."

RIGHT PANEL

FOR DOGS, CATS AND HORSES

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

CATS AND DOGS: Remove cap and insert sprayer. Cover animals eyes with hand and with a firm fast stroke, to get a proper spray mist, spray head, ears, and chest until damp. With fingertips rub into face around mouth, nose and eyes. Then spray neck, middle and hind quarters. finishing legs last. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long haired dogs rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. Repeat treatment as needed.

PUPPIES AND KITTENS: Spray only along back or on your fingertips and rub in with your fingertips. Do not use on puppies or kittens under 6 weeks of age.

PET SLEEPING QUARTERS: Spray around baseboards, windows, door frames, wall cracks and local area of floors. If mosquitoes, gnats or flies are present, spray lightly into the air. Repeat as needed. The bedding should be sprayed and then replaced with fresh bedding for best results.

HORSES: To control stable flies, horseflies, deer flies and face flies apply to face, legs, flanks, topline and other body areas commonly attacked by these flies. Repeat treatment as needed.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place inaccessible to children and pets.

DISPOSAL: Do not reuse empty container. Wrap empty container and put in trash collection.
