RIGHT PANEL

DERMAQUEL PET SHAMPOO

Dermaquel Pet Shampoo With Synthetic Pyrethroids has been designed to give a mild lustrous shampoo and at the same time kill fleas, lice and ticks.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

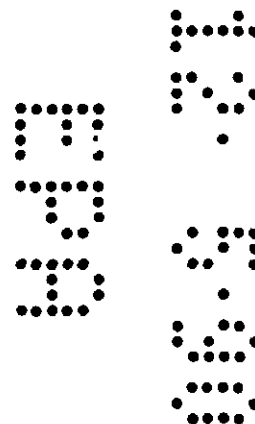

To control fleas, lice and ticks on puppies and dogs: Wet coat thoroughly with warm water, pour shampoo into hand or apply liberally onto animal. Starting from the head, work toward the tail and rub shampoo in the hair coat to obtain a thick lather. Let lather stay on 10 minutes. Rinse thoroughly with warm water and towel dry. Keep away from animal's eyes. Repeat application as necessary.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place inaccessible to children and pets.

Disposal: Do not reuse empty container. Wrap container and put in trash.
