Defend™ insecticide is an effective and easy to use product. Defend™ insecticide demonstrates greater than 95% control of fleas within 3 days of application. As with all flea and tick control products, Defend™ insecticide should be used as part of a control program aimed at reducing flea populations in the dog's environment (bedding, carpets, kennel, yard). Consult your veterinarian or entomologist for program recommendations. If necessary, repeat applications may be made, but do not apply at intervals less than 7 days.

DO NOT USE ON CATS.
