

ALGACREST ALGAECIDE is efficient, economical and will improve the appearance of your pool.

- ALGACREST is compatible with all chemicals; keeps pool water sparkling and clear. It imparts tone and a pleasant feel to swimming pool water.

CAUTION!

Harmful if swallowed, may cause burns or damage to the eyes. Do not get on skin or in eyes. If contact with eyes occurs, flush with plenty of water for 15 minutes and get medical attention. If contact with skin occurs, flush copiously with water.

Avoid contamination of food.

USDA REGISTRATION No. 6185-9

(C14, 60%; C12, 25%; C16, 15%)

INERT INGREDIENTS:

Water 90%

CAUTION! KEEP OUT OF REACH OF CHILDREN

See Other Warning On Back Panels

NET CONTENTS: 1 GALLON

DIRECTIONS FOR USE

INITIAL APPLICATION: To a cleaned pool add 2 gallons of ALGACREST to each 50,000 gallons of water.

CONTINUING APPLICATION:

Use 1½ gallons ALGACREST per 50,000 gallons water every 5 to 7 days. When weather is hot or bathing heavy, use this amount every 5 days.

BOOSTER APPLICATION: Immediately after a heavy or prolonged rain add 1 quart of ALGACREST per 50,000 gallons of water.

IMPORTANT: Follow these directions implicitly, for algae growth must be fought constantly.
