

DIRECTIONS

TO OPERATE: Remove cap. Hold can UP-RIGHT. Point valve away from person. Press valve to release spray.

FOR DEODORIZING: Spray into air, toward center of room, for 3 to 5 seconds. Dries quickly, Leaves no oily film.

Removes odors by oxidation catalyst in air — actually destroys odors instead of just "masking" them. Completely eliminates unpleasant odors of decay, smoke, food putrefaction, stale air, tobacco, perspiration, fish.

CAUTION

Contents are under pressure. Exposure to prolonged sunlight or other sources of heat may cause bursting. Do not throw into fires or incinerators. Avoid contact with skin and eyes. In case of contact, flush with plenty of water. If irritation persists, get medical attention. Do not use on polished wood furniture or rayon fabrics. Avoid contamination of food.

SANICO
