:National Chemicals Incorporated

EPA. Reg. No. 6198-12-AA EPA., Est. No. 6198-MN-1 U.S. Patent No. 3.028.799

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

DIRECTIONS FOR USE

MAKING BTF* IODOPHOR SANITIZING SOLUTIONS

Add BTF lodophor to cool or lukewarm water. Never use hot water. For 12.5 ppm titratable iodine, add 1/4 oz per 2 1/2 gallons water. For 25 ppm titratable iodine, add 1/2 oz per 2 1/2 gallons water. NOTE: Use an iodophor test kit to verify ppm. As long as solution is amber color, there is sufficient iodine present to sanitize. Make new solution daily or when color fades.

Homebrew Solution: 1 tsp to 1 1/2 gallons water.

RECOMMENDED METHOD FOR WASHING AND SANITIZING

Scrape and prewash glasses, dishes, etc. whenever possible. Wash with a good detergent (TDC*, LFD*, BLU-MAGIK*). Rinse thoroughly with plain water.

Sanitize in BTF IODOPHOR solution made to ppm concentration recommended by Health Dept. Immerse items for 2 minutes. Health requirements vary; so, check governing sanitary codes for concentration and contact time prescribed by local regulations. Place sanitized items on rack or drainboard to air dry. Never towel dry.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with plenty of water for at least 15 minutes. If wearing contact lens flush for 5 minutes, remove lens and continue to flush. Call a Poison Control Center or Physician for treatment advice

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a Poison Control Center or physician for treatment advice

IF SWALLOWED: Call a Poison Control Center or physician for treatment advice. If able to swallow, sip a glass of water. Do not induce vomiting unless told to do so by the Poison Control Center or physician. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth to mouth, if possible. Call a Poison Control Center or physician for treatment advice.

NOTE: Have the product container or label with you when contacting the Poison Control Center or physician or going for treatment.

NOTE TO PHYSICIAN: Possible mucosal damage may contraindicate the use of gastric lavage. For information on product, usage, etc. call 1-800-533-0027. Product labels, Material Safety Data Sheets can be found at www.NationalChemicals.com. For information on health concerns, medical emergencies or pesticide incidents, call the National Pesticide Information Center at 1-800-858-7378.

Manufactured by: National Chemicals, Inc., Winona, Minnesota

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

DANGER: CORROSIVE: Causes irreversible eye damage. Do not get in eyes or on skin or clothing. Wear protective eyewear (goggles, safety glasses or face shield). Harmful if swallowed or absorbed through skin or inhaled. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Avoid contact with skin and eyes. Do not contaminate food.

PHYSICAL AND CHEMICAL HAZARDS:

Avoid contact with strong alkalis and other oxidizers. Mix only with water. Use clean, dry utensils and other equipment. Contamination with organic matter and chlorinated products may cause evolution of toxic gases.

ENVIRONMENTAL HAZARDS (5 gallons or greater): Do not discharge effluent containing this product into lakes, streams, ponds, estuarles, oceans or other waters unless in accordance with the requirements of a National Pollution Discharge Elimination System permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

STORAGE: Keep container tightly closed when not in use. Do not store below 32° F or above 100°F for extended periods. Do not contaminate water, food or feed by disposal or storage. DISPOSAL: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility. CONTAINERS: Triple Rinse! Then dispose of in a

sanitary landfill or by other approved state and local procedures. Do not reuse empty container.
