PERMACIDE^R

PLUS

INSECT SPRAY CONTAINING ^RBAYGON

For Long-Term Residual Control
Of Insects Which Have Become Resistant To Other
Insecticides

EPA REGISTRATION NO. 6218-24

Kills

Roaches, Waterbugs, Ants, Brown Dog Ticks, Clover Mites, Crickets,
Earwigs, Fleas, Flies, Millipedes, Mosquitoes, Scorpions, Saw-
Toothed Grain Beetles (exposed stage), Silverfish, Sowbugs, Spiders.

ACTIVE INGREDIENTS:

2-(1-Methylethoxy) phenol methylcarbamate	1%
Petroleum distillate	83%

INERT INGREDIENTS:	16%
	<hr/>
	100%

*U.S. Patent No. 3,111,539

CAUTION: KEEP OUT OF REACH OF CHILDREN
See other cautions on side panel

PERMACIDE^R PLUS containing ^RBAYGON is a highly effective formulation which provides rapid kill of insects, including those resistant to certain chlorinated hydrocarbon and phosphate insecticides. In addition to rapid kill, its insect-killing ingredients will stay on treated surfaces and continue to kill insects for up to 2 weeks after the spray deposit has dried.

WHEN USED AS DIRECTED, PERMACIDER PLUS MAY BE APPLIED IN FOOD PROCESSING PLANTS, RESTAURANTS, WAREHOUSES, HOMES AND APARTMENTS.

DIRECTIONS FOR USE

HOW TO USE: PERMACIDE^R PLUS containing Baygon is ready-to-use undiluted as it comes out of the container, and may be applied with power-operated or hand sprayers.

INDOOR USE

HOUSEHOLD AND INDUSTRIAL APPLICATIONS OTHER THAN FOOD HANDLING ESTABLISHMENTS - SPOT TREATMENT

ANTS, COCKROACHES, WATERBUGS, CRICKETS, SILVERFISH, SPIDERS, SCORPIONS, SAW-TOOTHED GRAIN BEETLES (aids in control of the exposed stages of the saw-toothed grain beetle which come into contact with treated surfaces). Spray into cracks, crevices, around baseboards and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around waste containers. For ants, spray trails and places where ants enter premises. Repeat as needed. Do not spray feedstuffs or house plants. Remove pets and cover fish bowls before spraying. Do not allow children to contact treated areas until surfaces are thoroughly dry.

BROWN DOG TICK. Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks, and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

FOOD HANDLING ESTABLISHMENTS. Places other than private residences in which food is held, processed, prepared, or served.

ANTS, COCKROACHES, WATERBUGS, CRICKETS, SILVERFISH, SPIDERS AND SAW-TOOTHED GRAIN BEETLES (Aids in the control of the exposed stages of the saw-toothed grain beetle which come into contact with treated surfaces).

Food Areas - Application limited to crack and crevice treatment only. Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing), preparing, edible waste storage, and enclosed processing systems (mills, dairies, edible oils, syrups). Serving Areas (when food is exposed and facility is in operation) also would be considered a food area.

Apply in small amounts directly into cracks and crevices using equipment capable of delivering a pin stream of insecticide in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases, junction boxes or switch boxes, conduits, or hollow equipment legs where the above listed insects hide. Prior to application de-energize electrical equipment. After application, allow time for oil to evaporate before starting motors or placing switches in "on" position. Care should be taken to avoid contact with

product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces.

APPLICATIONS OF THIS PRODUCT IN THE FOOD AREAS OR FOOD HANDLING ESTABLISHMENTS, OTHER THAN AS A CRACK AND CREVICE TREATMENT ARE NOT PERMITTED.

Serving Areas - Facilities where prepared foods are served, such as dining rooms, but excluding areas where foods may be prepared or held.

Apply as a spot treatment to selective surfaces such as baseboards, under elements of construction into cracks and crevices. Avoid treating surfaces likely to be contacted by food. (Do not apply when facility is in operation or foods are exposed.)

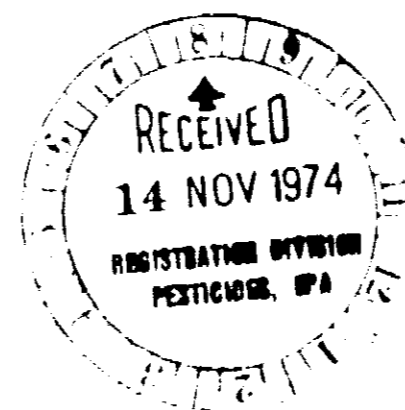

Non-Food Areas - Includes garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling).

Apply as a spot treatment to baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where insects hide or through which they may enter.

OUTDOOR USE

ANTS, CLOVER MITES, CRICKETS, EARWIGS, FLEAS, FLIES, MILLIPEDES, MOSQUITOES, SOWBUGS AND BROWN DOG TICKS. Spray infested areas thoroughly including outside surfaces of screens, doors, window frames, foundations, patios, or other places where insects may enter. For ants, spray hills and runways. Repeat as necessary. Do not spray vegetation.

INSECTICIDES FOR THE FOOD INDUSTRY

(RIGHT PANEL)

CAUTIONS

CAUTION-FLAMMABLE MIXTURE. DO NOT SPRAY INTO OR NEAR OPEN FLAME. DO NOT SMOKE WHILE SPRAYING. KEEP CONTAINER AWAY FROM STOVES, RADIATORS, OR OTHER HOT SURFACES.

CAUTION:

May be harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should also be avoided. Wash thoroughly after using. Avoid contamination of food and utensils. Should illness occur, get prompt medical aid.
To Physician: Atropine sulfate is antidotal.

RESTRICTIONS:

Do not use as space spray. Do not use in edible products area of food processing plants or in commercial food preparation areas except for careful crack and crevice treatment.
Do not apply to rugs, carpets, draperies, wallpaper, or similar materials that may be stained. Avoid excessive wetting of plastic, rubber, and asphalt surfaces such as tiles and floor coverings.

WARRANTY

The Seller's guarantee shall be limited to the terms of the label and, subject thereto, the buyer assumes any risk to persons or property arising out of use or handling, and accepts the product on these terms.
