SUPER PERMACIDE

ACCEPTED
FEB 5 1973
UNDER THE FEDERAL INSECTICIDE
FUNGICIDE AND RODENTICIDE ACT
FOR ECONOMIC POISON REGISTER
UNDER NO. 6218-38

Summit

DIRECTIONS FOR USE

HOW TO USE: SUPER PERMACIDE is ready-to-use undiluted as it comes out of the container, and may be applied with either power-operated or hand sprayers. Apply as a coarse spray to infested surfaces until wet, moving the spray stream rapidly to prevent excessive wetting of surfaces and waste of material. Direct spray away from people, plants, and pets. Re-treat as needed.

INDOOR USE:

COCKROACHES, ANTS, CRICKETS, SILVERFISH, SPIDERS: Spray areas where these pests are found or may hide, including dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door sills and frames; behind and beneath sinks, stoves, refrigerators and cabinets and around garbage cans, plumbing and other utility installations. Pests driven out of hiding places should be sprayed directly. For ants apply to ant trails, also around doors and windows and wherever else these pests may find entrance.

BROWN DOG TICKS: To control these pests, thoroughly apply as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor covering where these pests may be present. Old bedding of pets should be removed and replaced with clean, fresh bedding after treatment. **Do not spray pets with this product.**

OUTDOOR USE:

FLIES AND MOSQUITOES: Use only out-of-doors as an aid in reducing annoyance from these insects. Spray outside surfaces of window and door frames as well as other areas where these pests may enter the house. Also spray dark corners and localized resting areas (such as under eaves or porches, patios and garages) where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed. Repeat treatment when effectiveness diminishes.

INSECT SPRAY CONTAINING DURSBAN* AND SYNERGIZED PYRETHRINS

For Rapid Action Kill As Well As For Long-Term Residual Control Of Resistant Insects.

EPA REGISTRATION NO. 6218-38

For use indoors to kill cockroaches, ants, crickets, silverfish, spider and brown dog ticks. Also, for use outdoors as an aid in reducing annoyance from flies and mosquitoes entering buildings.

ACTIVE INGREDIENTS:	99.97%
Chlorpyrifos [0,0-diethyl 0-(3,5,6-trichloro-2-pyridyl)phosphorothioate]	0.50%
Pyrethrins	0.05%
N-octyl Bicycloheptene Dicarboximide	0.20%
Petroleum Distillate	99.22%
INERT INGREDIENTS	0.03%

CAUTION: KEEP OUT OF REACH OF CHILDREN.
See other cautions on side panel.

SUPER PERMACIDE® containing Dursban and synergized pyrethrins is a highly effective new formulation which will give rapid kill of many crawling insects, including those resistant to certain chlorinated hydrocarbon and phosphate insecticides. In addition to rapid kill, its insect-killing ingredients will stay on treated surfaces and continue to kill insects many weeks after the spray deposit has dried.

WHEN USED AS DIRECTED, SUPER PERMACIDE® MAY BE APPLIED IN FOOD PROCESSING PLANTS, RESTAURANTS, WAREHOUSES, HOMES, APARTMENTS, AND OTHER AREAS. DO NOT USE IN THE EDIBLE PRODUCTS AREAS OF FOOD PROCESSING PLANTS, RESTAURANTS OR OTHER AREAS WHERE FOOD IS COMMERCIALY PREPARED OR PROCESSED. DO NOT USE IN SERVING AREAS WHILE FOOD IS EXPOSED.

CAUTIONS

Harmful if swallowed. Avoid contact with eyes, skin and clothing. Avoid breathing vapors or spray mist. Keep away from food, foodstuffs and domestic water supplies. Do not smoke while using. Wash thoroughly after handling. **DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.** If swallowed, do not induce vomiting. Call a physician immediately.

NOTE TO PHYSICIAN: Contains petroleum distillate. If gastric lavage is deemed necessary, undertake only after placement of a cuffed endotracheal tube. Active ingredients contain a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

USE PRECAUTIONS

Do not allow children or pets to contact treated surfaces until spray has dried.

Do not spray air in rooms or use on plants. **APPLY AS A SURFACE SPRAY ONLY AS SPECIFIED ON THIS LABEL.**

Do not allow spray to contact food, feedstuffs or water supplies. Thoroughly wash dishes and food handling utensils if contaminated with this product.

Remove pets and cover fish bowls before spraying.

This product is toxic to fish. Do not contaminate water by cleaning equipment or disposal of wastes. Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place away from water supplies. Do not reuse empty drum. Return to drum reconditioner or destroy it by perforating or crushing and burying in a safe place away from water supplies.

NOTICE

The Seller's guarantee shall be limited to the label and, subject thereto, the buyer assumes any risk to persons or property arising out of use or handling, and accepts the product on these terms.
