Mr. Jonathan S. Cohen, President
Summit Chemical Co.
7657 Canton Center Drive
Baltimore, MD 21224

DEC 22 2003

Subject: Amendment in response to PR Notice 2001-1
Product Name: Pyrethrins Fogging concentrate 3610
Registration No.: 6218-56
Date of Submission: September 29, 2003
OPP Identifier Number: None

Dear Mr. Cohen,

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

- All First Aid statements are to be organized so that the most severe routes of exposure are listed first, and revise the First Aid Section as follows:

FIRST AID	
If swallowed	<ul style="list-style-type: none"> •Call poison control center or doctor immediately for treatment advice. •Do not induce vomiting unless told to do so by the poison control center or doctor. •Do not give anything by mouth to an unconscious person.
If inhaled	<ul style="list-style-type: none"> •Move person to fresh air. •If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. •Call a poison control center or doctor for further treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> •Take off contaminated clothing. •Rinse skin immediately with plenty of water for 15-20 minutes. •Call a poison control center or doctor for treatment advice.
If in eyes	<ul style="list-style-type: none"> •Hold eye open and rinse slowly and gently with water for 15-20 minutes. •Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. •Call a poison control center or doctor for treatment advice.
Note to Physician: Contains petroleum distillate - vomiting may cause aspiration pneumonia.

Hot Line Number: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-888-740-8712 for emergency medical treatment information.

- 2 Within the Precautionary Statements revise the paragraph containing the Precautionary language from "~~Harmful if swallowed. Avoid..... Contains petroleum distillate.~~" to:

"Harmful if swallowed, inhaled, or absorbed through skin. Avoid breathing vapor or spray mist. Wear a pesticide respirator jointly approved by the Mining Enforcement and Safety Administration and the National Institute for Occupational Safety and Health under the provisions of 30 CFR part II. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse."

If you have any questions, you may contact Richard J. Gebken, at (703) 305-6701.

Sincerely,

Linda Arrington
