Mr. Jonathan S. Cohen President Summit Chemical Company 235 S Kresson Street Baltimore, MD 21224

6218-73

Subject: Summit Chemical Company, Summit Mosquito Bits® EPA Registration No. 6218-73

-Label amendments (focusing primarily on advisory language and the storage and disposal box) to bring label into compliance with the current Label Review Manual and PR Notices -Resubmission dated 11/21/2007

Dear Mr. Cohen:

The amendments referred to above, submitted in connection with registration under FIFRA section 3(c)(7)(A), are acceptable provided that you:

- Submit and/or cite all data required for registration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
- 2. Submit two (2) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of a final printed label.

In addition to the label amendments specified above, you also requested permission to add National Organic Program (NOP) labeling in your original submission dated October 4, 2007. At this time, the Agency will not allow NOP labeling on the Summit Mosquito Bits label for reasons outlined in a previous response letter dated January 29, 2008. If those deficiencies are sufficiently addressed by you at a future time, the Agency is willing to revisit your request and review your corrections.

If the above conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions. If you have any questions contact Jeannine Kausch at 703-347-8920 or by email at: kausch.jeannine@epa.gov.

A stamped copy of the label is enclosed for your records.

Sincerely,

Sheryl Reilly, Ph.D., Chief Microbial Pesticides Branch Biopesticides and Pollution Prevention Division (7511P)

doctor, or going for t medical treatment in	reatment. You may also contact 1-800-222-1222 for emergency formation.					

Environmental Hazards: Do not apply directly to treated, finished drinking water reservoirs or drinking water receptacles when the water is intended for human consumption.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General Information:

MOSQUITO BITS® is a highly selective microbial insecticide effective against mosquitoes in a variety of habitats. When spread uniformly over the surface of containerized water the BITS release a biological mosquito larvicide at the water's surface. This larvicide gradually settles in the water where it is eaten by mosquito larvae growing there. MOSQUITO BITS® can be used in all types of containerized standing water sites where mosquito larvae grow. The BITS will give a quick kill within 24 hours. For more residual long term control please consider the use of MOSQUITO DUNKS®. after applying MOSQUITO BITS ®. Employ a seven to fourteen day interval between applications.

Outdoor Use Around the Household

Sprinkle one teaspoon per 25 square feet or one tablespoon per 75 square feet (1/2 lb. per 2178 square feet) over the surface of the containerized standing water found around the home. Apply MOSQUITO BITS ® uniformly. Employ a seven to fourteen day interval between applications. Longer periods of mosquito suppression will be obtained with the subsequent use of MOSQUITO DUNKS.

MOSQUITO BITS® can be applied to areas that contain aquatic life, fish and plants. Can be applied to areas used by or in contact with humans, animals, horses, livestock, pets, birds or wildlife. DO NOT APPLY TO finished, treated human drinking water sources.

Apply to containerized standing water found near and around the home, such as:

- Water gardens
- Flower pots
- Rain barrels
- Roof gutters
- Animal watering toughs

- Bird Baths
- Tree holes
- Unused Swimming Pools
- Old Automobile Tires

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE

Reseal unused portions of product. Store in cool, dry, well-ventilated place.

PESTICIDE DISPOSAL AND CONTAINER HANDLING

If empty:

Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling, if available. Batch code_____.

If Partly filled:

Call you local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

KILLS MOSQUITO LARVAE THAT TRANSMIT: West Nile Virus, Encephalitis, Malaria, Dengue Hemorrhagic Fever

WARRANTY & DISCLAIMER

To the extent permitted by applicable law, seller makes no warranty, express or implied, of merchantability, fitness or otherwise concerning the use of this product than as indicated on the label. User assumes all risks of use, storage and handling not in strict accordance with label instructions.
