Rinse empty container
 thoroughly with water
 and discard it.

DANGER  **POISON**

KEEP OUT OF REACH OF CHILDREN

DANGER: Corrosive. Keep Out of reach of Children. May be fatal if swallowed. Do not breathe vapor or fumes. May produce chemical burns. Do not get in eyes, on skin, or on clothing.

ANTIDOTE: Internal - Drink a teaspoonful or more of magnesia, chalk, or small pieces of soap, softened with water in milk or raw egg white. In case of ingestion or injury, get medical attention. External - Wipe off the acid gently, immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.

DIRECTIONS FOR USE

Full strength or diluted as much as 1 part of Amador ^{BOWL} Sanitizer to 6 parts of water, depending on amount of soil. To remove heavy scale apply with mop or brush full strength after removing water. Allow 4 minutes for acid to penetrate, then flush with water. For regular cleaning add 1 part to bowl, mop as required to clean sides, then allow 4 minutes before flushing.
