[BACK LABEL PANEL]

Rubbermaid® Commercial Products

Acarosano **Dust Mite Powder**

This product uses patented Acarosano® technology, proven effective in controlling dust mites. Carpets and rugs in even the cleanest area can have dust mites. The dust mite problem can be solved only by first destroying the dust mite. Then their excrement and mite bodies can be gradually removed by regular cleaning procedures such as vacuuming and/or deep cleaning.

RECOMMENDATIONS: Persons with Asthma or Severe Allergies:

- Should consult with their doctor before use.
- Have someone else apply and vacuum the product.
- Remain out of the treated room for 3 hours following application.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Test on a small area of carpet prior to using throughout the area to be treated.

Apply in areas where dust mites and their allergen particle concentrations are highest such as near beds and regularly used furniture.

Use only on colorfast carpets. Check for colorfastness in an inconspicuous, small area of carpet first and examine when dry. If color is affected, do not use.

Sprinkle over an area of 120 sq. ft. (10' x 12'), or 2.5 oz. (3/4 cup) for every 3 x 3 foot area. Distribute evenly with a broom, carpet rake or scrubber. Allow the moist powder and carpet to thoroughly dry. Drying time varies depending on humidity levels from 3 to 12 hours. Vacuum thoroughly. One treatment lasts up to 4 weeks.

Tips for maximum performance:

- Start with a new vacuum bag.
- Microfiltration vacuum bags and filters are recommended.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Keep product in original container and tightly closed. Do not reuse empty container.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, absorbed through skin or inhaled. May cause skin irritation such as rash, itching or swelling in sensitive individuals. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Keep children and pets off treated areas during application and until area is thoroughly dry and vacuumed.

FIRST AID

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

If swallowed	<ul style="list-style-type: none">• Call poison control center or doctor immediately for treatment advice.• Have person sip a glass of water if able to swallow.• Do not induce vomiting unless told to do so by the poison control center or doctor.• Do not give anything by mouth to an unconscious person.
If in eyes	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
If on skin or clothing	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor for treatment advice.
If inhaled	<ul style="list-style-type: none">• Remove to fresh air.

This package is sold by weight and not volume. Settling may have occurred during shipping and handling.
