MAR 22 2005

Subject: Yellow Jacket Fluid Sulfur 70SD
EPA Reg. No. 6325-19
Your amendment dated August 22, 2003

Dear Ms Garrett:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act as amended is acceptable provided the following changes are made:

1. In the section STORAGE AND DISPOSAL under the subheader PESTICIDE DISPOSAL, change the instructions to read "Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility."

One copy of the label stamped "Accepted with comments" is enclosed for your records. This label supercedes all labels previously accepted for this product. Please submit one copy of the final printed label that incorporates the required changes before the product is released for shipment.

The revised basic Confidential Statement of Formula (CSF) dated 8/22/03 referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act as amended is acceptable. Please note that this CSF supercedes all previous CSFs for this product and will be added to the regulatory file. A copy of the Agency's Product Chemistry Review D350657 dated November 23, 2004 is enclosed for your records.

If you have any questions, please contact Robert Westin by phone at (703) 305-5721 or via email at westin.robert@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Mary J. Waller".
