PERMA-GUARD® DUST

NET WT.
 LBS.

10% SULPHUR

D-42

ACTIVE INGREDIENTS:

Sulphur 10%

INERT INGREDIENTS:

Diatomaceous Earth 90%

TOTAL 100%

RECOMMENDATIONS:

For control of powdery mildew
on beans, peas and grapes.

DIRECTIONS:

To control powdery mildew on
 beans, peas and grapes, apply at
 the rate of 50 pounds per acre,
 at the beginning of the season.
 Repeat as necessary.

CAUTION:

Keep out of reach of children.
 Sulphur may burn foliage when
 temperatures are excessively high.
 Avoid excessive inhalation of
 dust.
