

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Wear a dust mask for prolonged periods of exposure. Wash hands thoroughly after using and before eating or smoking. If inhaled, remove victim to fresh air.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply to horses or rabbits intended for slaughter. Apply material directly to animal. Lightly work the material into the hair of the animal, down to the skin. Individual ticks observed on the animal should be dusted thoroughly. Pay strict attention to places where the animal cannot reach, such as the scalp. Dust the ears of the animal with care. Dust the animal's bedding and areas where the animal sleeps, as well as cracks and crevices adjacent to them. Repeat once a month or as necessary.

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Do not reuse empty container for any purpose except for refilling with identical product (Perma Guard Pet and Livestock Powder). If container is not to be refilled, wrap empty container and put in trash collection. Do not use this container for storage or application of other pesticide products.

#### WARRANTY STATEMENT

Seller warrants that this product conforms to the ingredient statement on the label. Since conditions of use, such as weather, compatibility with other chemicals, and condition of application equipment will vary, seller makes no claims other than those stated on this label.

Manufactured under  
U.S. PATENT NUMBER 3,207,662

ACTIVE INGREDIENTS	
Pyrethrins	12%
Piperonyl Butoxide Technical	10%
Quaternary Ammonium Chloride	88%
INERT INGREDIENTS	
Others	10.8%
TOTAL	100.0%
