Mr. Wallace Tharp
Universal Diatoms Inc.
410 12th Street
P.O. Box 25282
Albuquerque, NM 87102-0282

Dear Mr. Tharp:

Subject: Amendment - Update Labeling/Confidential Statement of Formula
Perma-Guard Pet and Animal Insecticide
EPA Registration No. 6330-32
Your Application Dated July 18, 1989 and February 15, 1990

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling.

1. Delete the heading "First Aid" and the paragraph beneath this heading since this information already appears on the front panel.
2. The paragraph under "Environmental Hazards" should read:

This product is toxic to fish. Do not apply directly to lakes, streams, ponds or public waters. Do not contaminate water by cleaning equipment or disposal of equipment washwaters. Apply this product only as specified on the label.
3. You can delete the paragraph beginning "This product is toxic to fish. Do not apply ..." under the heading CAUTION since this information already appears under Environmental Hazards.
4. The upper and lower certified limits in the confidential statement of formula must be based on the pure active ingredients in the source products. Also the lower limit of the active ingredient (column 14b)

The subject product file does not contain complete product chemistry information as required under section 158.120 of the Product Chemistry Guidelines. Refer to the attachment regarding the information requested.

Submit five (5) copies of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours

George T. LaRocca
Product Manager 15
Insecticide-Rodenticide Branch
Registration Division (H7505C)

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Avoid contact with eyes and skin. In case of contact immediately flush eyes and skin with water. Get medical attention if irritation persists. Use in adequate ventilation and avoid breathing of dust. Use dust mask for prolonged periods of use. Wash hands thoroughly after using and before smoking or eating.

This product is toxic to fish. Do not apply directly to lakes, streams, ponds or public waters. Do not apply outdoors when weather conditions favor drift from the treatment area. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

FIRST AID

If swallowed: Do not induce vomiting. Get immediate medical attention. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists.

Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is underway. After space dusting food processing plants, thoroughly wash all equipment, benches, shelving, etc., where exposed food will be handled, with an effective cleaning compound followed by a potable water rinse.

In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use.

Cover fish aquariums before dusting.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning equipment or disposal of wastes. Apply this product only as specified on the label.

PERMA-GUARD PET AND ANIMAL INSECTICIDE D-20

This is an effective material for use against FLEAS, TICKS AND LICE on DOGS, CATS and PETS

ACTIVE INGREDIENTS:

Pyrethrins	0.2%
Technical Piperonyl Butoxide	1.0%
Diatomaceous Earth	88.0%
INERT INGREDIENTS:	10.8%
TOTAL:	100.0%

KEEP OUT OF REACH OF CHILDREN

CAUTION

STATEMENT OF PRACTICAL TREATMENT

If swallowed - Call a physician or Poison Control Center immediately. DO NOT INDUCE VOMITING. Vomiting may cause aspiration pneumonia.

If inhaled - Remove person to fresh air.

If on skin - Remove contaminated clothing and wash affected areas with soap and water.

If in eyes - Flush eyes with plenty of water. Call a physician immediately, if irritation persists.

to EPA Letter Dated:

BATCH NUMBER

NET WT.

Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide
registered under EPA Reg. No.

6890-32

Manufactured for:

UNIVERSAL DIATOMS INC.

P. O. Box 25282

ALBUQUERQUE, NEW MEXICO 87125-0282

(505) 247-3899

EPA Registration No. 6330-32
EPA Establishment No. 33891-AZ-1

DIRECTIONS:

It is a violation of Federal law to use this product in a manner inconsistent with these directions.

FLEAS, TICKS AND LICE: Lightly dust the animal, down to the skin. Use the dust on the skin. Pay strict attention to areas such as the scalp. Dust the animal's bedding and areas where cracks and crevices adjacent to the animal are necessary. Individual ticks observe thoroughly.

FOR BEST RESULTS (HINTS FOR USE)

For animals confined to specific areas, dust the entire area with PERMA-GUARD INSECTICIDE.

FOR LARGE APPLICATION AREAS, preferably equipped with an electric blower, coverage, effectiveness and efficiency.

FOR SMALL APPLICATION AREAS, use a small lawn fertilizer spreader, mist blower, or PERMA-GUARD PET AND ANIMAL INSECTICIDE. Dust thoroughly the first time and repeat as needed.

RE-INFESTATION can be prevented by using PERMA-GUARD INSECTICIDE as a repellent.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage - Store in a cool, dry place. Keep container closed.

Pesticide Disposal - Wastes resulting from the use of this product may be disposed of on site or at an approved site.

Container Disposal - Triple rinse and recycle or conditioning, or disposal by other approved State or Local procedures.

WARRANTY

Seller warrants that this product conforms to the label. Since conditions of use vary, seller makes no other warranty, and this label.
