

NET CONTENTS: 1 GALLON

ALGAECIDE W

EPA Establishment No. 06381M001

EPA Registration No. 6381-4

	PERCENT BY WEIGHT
ACTIVE INGREDIENTS	10%
Poly[oxyethylene(dimethyliminio)ethylene- (dimethyliminio)ethylenedichloride] 10%	
INERT INGREDIENTS	90%
Weight per gallon	8.49 pounds
Weight of active ingredients per gallon	0.85 pounds

CAUTION: KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Do not get in eyes. Avoid contact with skin. If swallowed, induce vomiting by drinking 1 or 2 cups of water, then warm water and sticking fingers in back of throat. In case of contact with eyes, flush with plenty of water for at least 15 minutes. If eye irritation persists, call a physician. Avoid contamination of food.

Manufactured by

The GARMAN CO., Inc.

1252 GROVER RD. • ST. LOUIS, MO. 63125 U.S.A.

APPLICATION

Vapco Algaecide-W is used to control algae, bacteria, and fungi in recirculating commercial and industrial water cooling towers. Prior to its use, systems must be cleaned to remove algae growth, microbiological slime and other deposits. An initial slug addition of 6.13 to 15.32 fluid ounces of Vapco Algaecide-W per 1000 gallons of water to provide a concentration of 4.79 to 11.97 parts per million of active ingredient based on the total weight of water in the system is recommended. Repeat initial dosage until control is evident. Subsequent slug additions of 1.53 to 15.32 fluid ounces of Vapco Algaecide-W per 1000 gallons of water (1.20 to 11.97 parts per million of active ingredient) should be employed every 2 to 5 days or as needed. The frequency of addition depends upon the relative amount of bleedoff and the severity of the microbiological problem. Slug additions should be made in the sump of water cooling tower.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public water. Apply this product only as specified on the label.

Do not reuse empty container. Destroy by perforating, crushing and burying in a safe place.
