HANDLING PRECAUTIONS: May be fatal if swallowed or absorbed through the skin. Do not get on skin or clothing when handling this product or its diluted solutions. The use of rubber gloves is recommended. Always wash hands promptly after handling solutions and before eating. Do not breathe the spray mist. Keep concentrate away from foods, humans, pets and livestock.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. Pesticide, spray mixture, or rinsate that cannot be used or chemically processed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

Container disposal: Reseal container and offer for reconditioning, or triple rinse (or equivalent) and: offer for recycling reconditioning, or disposal in approved landfill, or bury in a safe place. Consult federal, state or local disposal authorities for approved alternative procedures.

ENVIRONMENTAL HAZARDS: This product is toxic to fish, birds, and other wildlife. Do not contaminate water by cleaning of equipment or disposal of wastes.

FIRST AID

If swallowed: Give milk or white of egg beaten with water. Drink one or two glasses of water and induce vomiting by touching back of throat with finger or blunt object. Do not induce vomiting or give anything by mouth to an unconscious person. Repeat milk or white of egg beaten with water. Call a physician immediately.

If on skin: Wash immediately with warm water. Remove and wash contaminated clothing before reuse.

If in eyes: Flush with water for at least fifteen minutes and get medical attention.

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.

For directions for use, see Technical Bulletin No. 810 Rev.
