STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Pesticide, spray, mixture or rinsate that cannot be used according to label instructions must be disposed of according to applicable Federal, State or local procedure. "Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance." CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved State and Local procedures.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
