

VIKOL®#LO-25

Active Ingredient: Bis (tri-n-butyltin) oxide.....25%
Inert Ingredient:75%

WARNING: KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS
(& DOMESTIC ANIMALS)

WARNING:

Causes eye and skin burns. May cause blindness. May cause allergic skin reaction. Harmful if swallowed. Causes respiratory tract irritation.

PERSONAL PROTECTION:

Provide ventilation if necessary. Wear chemical goggles, a face-shield, and chemical resistant clothing such as a rubber apron when splashing may occur. Provide safety shower and eye flushing equipment where contact can occur. Avoid breathing vapor.

First Aid:

IF IN EYES OR ON SKIN, immediately flush the area with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Get medical attention immediately. Wash clothing before reuse. Destroy contaminated shoes.

IF INHALED, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.

IF SWALLOWED, do NOT induce vomiting as directed by medical personnel. Get medical attention. Call a Poison Control Center. NEVER GIVE ANYTHING BY MOUTH TO AN UNCONSCIOUS PERSON.

END USE:

Durable bacteriostatic and fungistatic agent for the textile and olefin industries. For manufacturing use only.

Directions:

Apply to leave 0.1% - 0.2% of VIKOL®#LO-25 on the weight of the fiber by padding or by exhaustion. For olefins, add 0.1%-0.2% in plasticizer. See our Technical Bulletin for details.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Pesticide spray, mixture, or rinsate that cannot be used according to label instructions must be disposed of according to applicable Federal, State, or Local procedures. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environment Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other approved State and Local procedures.

ENVIRONMENTAL HAZARDS: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA. This material is toxic to fish. Do not apply directly to water or wetlands. Do not apply directly to water by cleaning of equipment or disposal of wastes. Keep dust and chips generated during paint removal from entering water. Discard paint scrap in an approved landfill.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
