KEEP OUT OF REACH OF CHILDREN

HANDLING PRECAUTIONS: May be fatal if swallowed, absorbed through the skin. Do not get in skin or clothing when handling the product in its concentrate solutions. The use of rubber gloves is recommended. Always wash hands promptly after handling is complete, before eating, or do not get in eyes. Wear chemical goggles. All children should have chemical burns. Do not breathe the spray mist. Use concentrate away from food, humans, pets, and livestock.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Air emissions are prohibited. Pesticide spray mixture or residue that is not to be used or chemically processed should be disposed of in a way approved for pesticides or buried in a safe place away from water bodies. Container disposal: Reseal container and offer for recycling, recycling, or triple rinse, if allowed, and offer for recycling, or contact your local, state, or approved landfill, or bury in a safe place. Contact federal, state, or local disposal authorities for approved alternate procedures.

Care should be taken in using this product in paint which will be used in the vicinity of growing plants, since many plants are highly sensitive to mercury. Do not use in Greenhouse paints and Marine Antifouling paints.

ENVIRONMENTAL HAZARDS: This product is toxic to fish, birds, and other wildlife. Do not contaminate water by cleaning of equipment or disposal of waste.

EPA Reg. No. 6390-21
 EPA Establishment No. 5183-NF-1

FIRST AID

If swallowed, give milk or water to drink. Do not induce vomiting unless directed to do so by a health care professional. If on the skin, wash with soap and water. If in the eyes, flush with water for 15 minutes. If inhaled, move to fresh air. If breathing is difficult, call a doctor. If you have any medical conditions or are taking any medication, consult your doctor before using this product. Keep this product out of the reach of children. For more information, call 1-800-368-5878.
