KEEP LID TIGHTLY CLOSED DESTROY WHEN EMPTY

READ THE ENTIRE LABEL. USE IN ACCORDANCE WITH LABEL DIRECTIONS, WARNING AND NOTICE.

DIRECTIONS

AMERICAN ROACHES: For American roaches (large outdoor roaches) apply with long-handled duster to all areas beneath the house and other places where roaches are thought to be hiding outdoors. Do not use in the house.

LAWN AND ORNAMENTAL TURF: Ants, chinchbug, chiggers, 1-lb. per 200-300 square feet, repeating as needed to maintain control. White grub, Japanese beetle grub, sod webworm, 1-lb. per 400-500 square feet. After use of this material thoroughly after application, keep children and pets off treated areas until this material is washed into soil and grass is dry.

ORNAMENTAL FLOWERS AND SHRUBS: Grasshopper, thrips, plantbug, Japanese beetle, Japanese beetle, ants, cutworm, 1-lb. per 1000-1100 square feet. Wireworm, 1-lb. per 450 square feet. Mix well with 4-6 inches of soil. This is pre-plant treatment only.

OUTDOOR YARD PESTS: Thoroughly dust the areas mentioned after each. Repeat as needed for effective control. Do not apply inside of dwellings, garages, poultry houses. Scorpions: around outside doors, windows and other outside openings and dark corners and other hiding places in outdoor areas.

WARNING: This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of any body of water. Apply this material as specified on this label.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Apply to water. Avoid contamination of feed and foodstuffs. Do not use in excess of label. Misuse as to quantity, timing or method of application may cause damage or injury to animals, persons, property or crops in excess of official tolerances.

No warranty, expressed or implied, concerning the use of this material other than indicated on the label. Buyer assumes all risks of use or handling of this material when such use and/or handling is contrary to label information.
