Eng-Skell Company

SAN FRANCISCO, CA 94103

FIRST AID:

In case of contact immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

Not Reviewed. Registrant claims to be in accordance with the requirements of Federal Product Code for Phase 2. For more information, refer to next Change in Status.
