Foreign Domestic Chemicals Corporation
95 Chestnut Ridge Road
Montvale, NJ 07645

NOV 7 1997

Attention: Mr. William Stetter

Subject: Cube Root
EPA Registration No. 6458-1
Your amended applications of September 16, 1996 and July 9, 1997

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable, provided that you submit one (1) copy of the final printed labeling to us before you ship the product, with the following changes.

1. Change "Statement of Practical Treatment" to "FIRST AID".
2. Rearrange the order of the items under "FIRST AID", as follow:
 - IF SWALLOWED ... person.
 - IF INHALED ... attention.
 - IF IN EYES ... persists.
 - IF ON SKIN ... attention.
3. Change the first sentence under "DANGER" to read: "Fatal if swallowed or inhaled."
4. Correct your registration number to "6458-1"

If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of this condition.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

Daniel B. Peacock, Biologist
Insecticide-Rodenticide Branch
Registration Division (7504C)

PRECAUTIONARY STATEMENTS Hazards To Humans & Domestic Animals

DANGER

- Fatal if inhaled. May be fatal if swallowed. Harmful if absorbed through the skin. Causes moderate eye irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Do not breathe mist. Use a dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C). Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

Environmental Hazards

This pesticide is extremely toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a dry place away from excessive temperature extremes.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Powdered Cube Root is intended for use in the formulation of products for the control of fleas on pets, and of fish control products.

This product may be formulated into end-use products for the following acceptable uses: Piscicides Uses (Aquatic Uses), Pet Uses (Primarily Small Domestic Animals).

TERMS OF SALE AND WARRANTY

Foreign Domestic Chemicals Corporation warrants that this product conforms to the chemical description on the label, and is reasonably fit for the purposes referred to in the DIRECTIONS FOR USE. No other expressed or implied warranty of fitness or merchantability are made or any other expressed or implied warranty. Foreign Domestic Chemicals Corporation shall in no case be liable for consequential, special or indirect damages
