Not recommended for use on silver,
painted surfaces or rubber products.

MANUFACTURED BY
FITZPATRICK BROS. INC.
CHICAGO, IL 60612

0 72319 00019 4

**CLEANS, DISINFECTS AND DEODORIZES
AT ONE TIME**

Recommended for use in hospitals, hotels, restaurants, industrial
plants, factories and nursing homes. Excellent for use on tubs, wash
bowls, fixtures, equipment, floors, machinery, wash basins and
sinks. Easily removes stains, corrosion and most soils from all
surfaces, including tile, terrazzo, wood, composition floors, marble,
porcelain, metal and enamel. Cleans ugly grease and grime from
stoves. Gets porcelain white as new. Kitchen Klenzer wins out most
household germs including Staph, Salmonella and Pseudomonas.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner
inconsistent with its labeling.

TO DISINFECT: Remove gross filth or heavy soil if present by
scraping, brushing or using steel wool before applying Kitchen
Klenzer. Moderately soiled surfaces should be thoroughly wet
down with water. Sprinkle Kitchen Klenzer liberally over the entire
surface. Work up a foam and allow to stand at least 10 minutes.
Kitchen Klenzer should then be removed by rinsing the surface
thoroughly and wiping repeatedly with a cloth, sponge or mop.
Repeat if necessary.

FLOORS: Wet floors and sprinkle with Kitchen Klenzer allow to
stand for 10 minutes. Scrub with hand brush or floor machine. Steel
wool or nylon pads may be used if preferred. Rinse thoroughly and
let dry.

NOTE: On delicate surfaces like plastic, imitation marble and
appliance enamel, use plenty of water, rub gently and rinse. If you
are cleaning an unfamiliar surface, test a small area first. Do not use
on silver, painted surfaces, walls, soft plastic, aluminum or rubber
items (except tires). Do not mix with other cleaning products,
especially toilet bowl cleaners or products that contain ammonia.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING

Causes substantial but temporary eye injury. Harmful if absorbed
through skin. Do not get in eyes or on clothing. Avoid contact with
skin. Wear goggles or face shield. Wash thoroughly with soap and
water after handling. Remove contaminated clothing and wash
clothing before reuse.

STATEMENT OF PRACTICAL TREATMENT

IF ON SKIN: Wash with plenty of soap and water. Get medical
attention if symptoms persist.

IF SWALLOWED: Call a physician or Poison Control Center. Do
not induce vomiting. Drink large quantities of water. Avoid alcohol.

IF IN EYES: Hold eye lids open and flush with a steady, gentle
stream of water for 15 minutes. Get medical attention.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of
gastric lavage.
